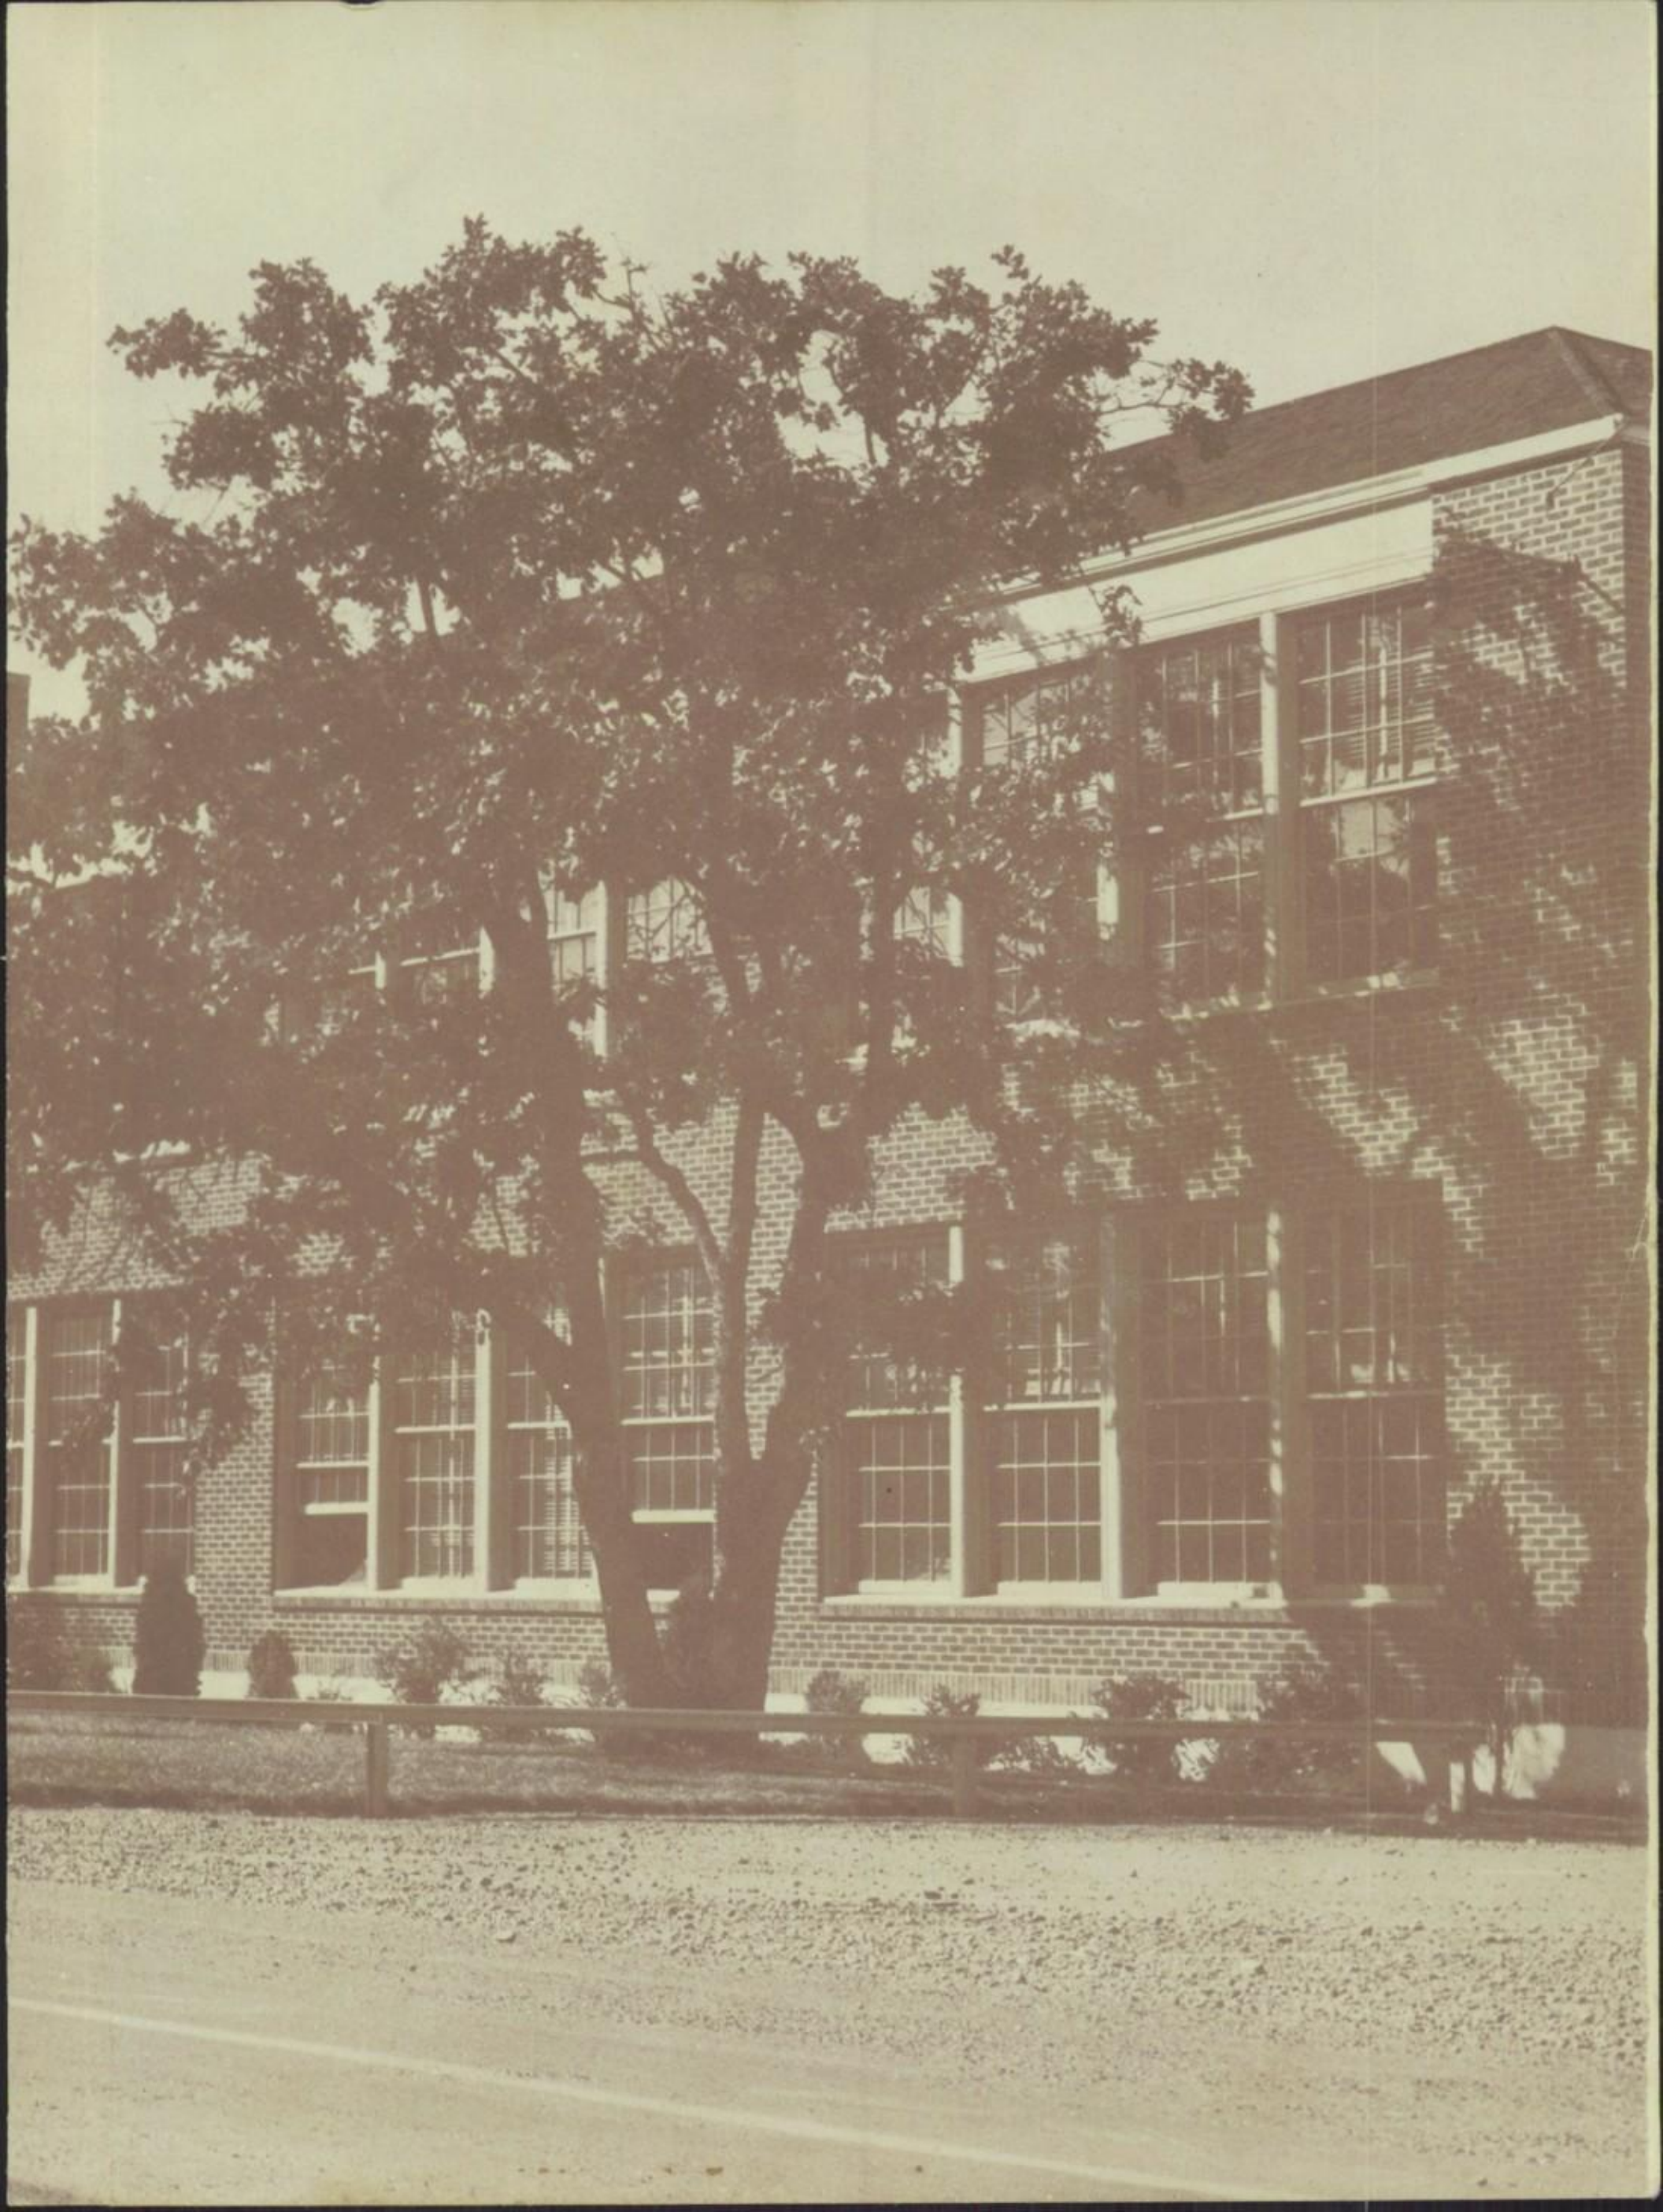
Dear Janice

Ah what a brilliant math student, (also brilliant with "Mary Congdon") I hear. hmmmm - - - - - -

See you next year. It's sure been fun.

Karen Hansen



Dear Janice, Janie, etc.,
Here's wishing a heap
of love, luck, and happiness
to one of my favorite pals.
We've had quite a time since
first grade haven't we - huh? I
could mention a few examples but
I don't think they are right for here!
Mr. S. tops the list don't you think?
See you this summer you sweetie-pie.
And next year if "he" passes us!
Love to my real pal Janie,
Susie Vineyard

Dear Jane,
We're still going to have to play
that game of Tennis - is that a
deal? Okay. Remember now!
Loads of good wishes to a sweet
gal - have a neat summer!
Love
Sally Rivers

There is neither time enough nor worlds enough for us, the Class of '53, to conquer .... countless horizons in various fields are open to us .... in our power lies the ability to strengthen ourselves and the world.

DEDICATION

Our parents are our unfailing source of hope, encouragement, and confidence. In an effort to express our sincere appreciation and gratitude, which we don't always show but always feel, we dedicate this Klahowya of 1953 to the most wonderful parents in the world, ours.

We, who are graduating this year, are having this fact driven home to us with emphasis as next year some of us will be taking our place in the grown up, sometimes harsh, world of business. Others of us will be on our own at college.

"In Their Steps"

When we have tripped and fallen on the way,
They're always there to help us up,
So we might face a brighter day.
And when all things seem to be wrong
They renew our faith and make it strong.

For you see they've sacrificed their lives
To leave us a heritage of peace, not strife.
So now it's up to us to show them
That we can carry the load,
And bear out the high ideals that complete the mold.

ADMINISTRATION

Harold F. Gray, principal of Clover Park High School, has close contact with all the students and teachers. He helps in the coordination of the various departments and organizations in the school curriculum.

As sponsor of the student council, Mr. Gray has suggested and aided in amendments of the student body constitution. Under his capable direction and guidance many rules have been changed and set up for the benefit of the students, faculty, and school.

Recently Mr. Gray has announced a new change in the administration. Mr. Maurice Owens, our present vice-principal, will become Superintedent of Grounds and Buildings of the new junior high building, Mr. Carlin Aden will take over as the new vice-principal of the high school. Marion Oppelt, head of the Guidance and Music departments, will head the new addition as its first principal.

The main task of the superintendent's office is to carry out the policies adopted by the board of directors. In the formulation of those policies, the superintendent has the responsibility of gathering sufficient information to present to the board so that policies may be adopted which will be beneficial to the school system. In return, accepted policies approved by the school board are carried out through the superintendent's office. Upon occasion, the superintendent of schools recommends desirable procedure and policies to the school board for its consideration.

Necessary to any school and community is the school's board of directors. The board, under the capable leadership of its president, Mr. Ardis Reeder, supervises activities carried on in the school district, determines its policies, employes personnel, and adopts a budget for the school year. These men and women donate their time and effort for the students of the district without pay. Next fall the new junior high building located on the Northwest corner of the campus will be opened. Without the fast action of the school board in its approval and passing of the plans, the present high school would be filled to overflowing for at least two more years.

We, the student body, wish to thank the school's board of directors, Mr. Gray, and Mr. Hudtloff for the time and work they have devoted to the community and our schools.

School Board consists of: A. H. REEDER, president; C. T. CHANDLER, T. OLAI HAGENESS, JOHN H. DIMMER, EDWIN R. JOHNSON, NELLIE WOOTAN.

SCHOOL BOARD

We owe our school board a great deal and appreciation for the fine work it does in our school district. Out of the six members of the school board only one receives any compensation for the wonderful work they do. They donate both time and effort to this duty. They are elected every three years in staggered elections.

The following are the officers and members of the school board: Mr. A. H. Reeder, president; Mr. C. T. Chandler, vice president; Mr. T. Olai Hageness, secretary; Mr. John H. Dimmer, Mr. Edwin R. Johnson, and Mrs. Nellie Wootan.

The duties of the school board are: 1) to authorize all school district expenditures, 2) prescribe the course of study, 3) to establish and maintain the schools, grades and departments, 4) to employ, and for cause, to dismiss teachers and other employees, 5) to buy and sell school property, 6) to establish and operate the lunch rooms in the school buildings and last, to prepare and present a budget for each school year.

OFFICE HELP

Mrs. Wanda Sutich is completing her seventh year here at Clover Park as secretary to Mr. Gray. Mrs. Sutich has a variety of jobs to do. These jobs include handling all records, transcripts of credit, telephone calls, and numerous miscellaneous jobs. Besides all this Mrs. Sutich has the patience to help many girls get practical office experience.

All the secretarial work that the Guidance Office entails is under the efficient hand of Mrs. Louise Miller. Mrs. Miller also aids girls in gaining valuable office training. This is her fifth year at Clover Park.

The vacancy left by Mrs. Wagley, the assistant librarian, has been ably filled by Mrs. Esther Betcombe. Mrs. Betcombe is responsible for the secretarial work done in the library. We are very glad to welcome Mrs. Betcombe with us for her first year.

The Vocational Office work is taken care of by Mrs. Peterson. Mrs. Mortensen is kept busy at her job as clerical help of the Health Center.

OFFICE HELP

Girls interested in office work learn to follow correct office procedure in answering the telephone efficiently, filing, and meeting the public. These girls also tally the absentees, type, run the ditto machine, and deliver messages. When they give up their study halls for this reason they benefit by receiving valuable experience and by getting much satisfaction out of doing a job well.

LUNCHROOM HELP

During the past year the members of our cafeteria staff have served very faithfully and efficiently. Under the capable direction of Mrs. Davies, the 27 student assistants have kept our cafeteria operating smoothly. Without their assistance, many more cooks would have to be employed, thus raising the price of the lunches.

These students receive a civic letter and their lunches free for their service.

Lunchroom women consist of: June O'Conner, Beatrice Headly, Beulah Flynn, Carol Simmons, Lillian Donnaly, Low Sullivan, May Lane, Louise Kelly.

Lunchroom consists of: Margaret Hand, Patsy Greenrod, Janice James, Muriel Benny, Martha Menkind, Barbara Erickson, Maurine Wheilihan, Shirly Atkins, Bob Wise, Heide Jensen, Nancy Sager, Sue Massey, Martha Munksma, Barbara Willard, Donna Familton, Bev Newell, Darlene Wykoff, Joan Harris, Loy Ann McGee, Joe Gamradt, Gene Sweeney, John Stevens, Ricky Kirk, Jack Waters, Gary Gray, Dennis Wicks, Willard Homestead, Bill Golding, Gary Parker, Verne Sutherland, Buddy Coddington, Vera Daniels, Charles Donally, James Hay, John Kelly, Dan Simons, Delores Sutherland, Thelma Ott, Betty Hansen.

MRS. MEYER
Health Director

HEALTH

The "miniature hospital," under the direction of Mrs. Myers, takes care of anyone who becomes ill or injured during school hours. The girls who work in the health center learn the fundamentals of home nursing and also may earn either a major or minor depending on the hours worked.

MAINTENANCE

In 1928 Clover Park Junior High School opened. Since then the school has built up into a modern, complex plant. Transportation was one thirty-five passenger Reo that made six trips a day. Now we have nineteen buses that make fifty-nine trips during the day for the district. The buses are our approved transportation for extra-curricular activities that take place away from school. Mr. Lillard T. Swall is Director of Transportation.

The important work of keeping our school clean, neat, and sanitary falls to our seven custodians. They work in shifts to enable the plant to work on a twenty-four hour basis. During vacations the school is thoroughly cleaned and repaired. Mr. Warner Gripp is our very capable Supervisor.

PROJECTIONISTS

The projection squad has the important job of presenting our audio-visual aids to us. They are required to know how to use motion picture projectors, filmstrip projectors, and opaque projectors. They also operate the wire, disc, and tape recording equipment. The squad is in charge of the public address systems which is used at all our assemblies, concerts, and games. They learn to make film repairs and how to service all their equipment.

There is an art in keeping the audience receptive to the movie. The operator must take into consideration the location of the screen, grouping of the audience, and the size of the picture to be shown in the room It is therefore necessary that the showman know his equipment and how to use it correctly.

ROW 1: Rodger Martinson, Carla Wright, Richard Schinell. ROW 2: Gene Meade, Frank Bisnor, Mr. Trimble. ROW 3: Dick Miles, Raymond French, Jim Thornburg, Gary Wamburg, Blaine Smith, Steve Merrill, Barry Murphy.

CANOPY CREW

The canopy crew, one of the hardest working and little praised groups in the school, was led under the very capable direction of John Sayre, Secretary of Industry. The canopy is put up for concerts, dances and other special events. It transforms the barn-like school gym into a beautiful ballroom, because of the impression of a lower ceiling. Without the canopy the dances would have lost much of their color and effect, which the students, who attended these affairs, admired very much.

Promptness of the crew was greatly appreciated by the dance committees, because they cannot start to decorate until the canopy is put up.

The boys all did a very fine job this year in putting up the canopy and, of course, taking it down afterwards.

STUDENT COUNCIL

Democracy is expressed most satisfactorily in Clover Park by the Student Council. The members of this body are elected by the students after a week of exciting campaigning each spring.

The officers, who very successfully manipulated all the business that fell under their jurisdiction this year, with the very capable leadership of Gordon White, Student Body President during the year 1952 through 1953 were: Milton Clampitt, Vice President; Beverlee Haman, Secretary of Records; Lorinda Dana, Treasurer; Loy Harvey, Social Secretary; Jim Rivens, Representative at Large; Donna Cooper, Girls' Club President; Jack Ellingson, Boys' Club President; Dave Steen, Senior Class President; Doug Smidt, Junior Class President; George Boldt, Sophomore Class President; Dana Lieurance, Ninth Grade Class President; Sally Rivens, Eighth Grade Class President; Corine Kubis, Junior High Representative at Large; John Sayre, Secretary of Industry; Karen Mortensen, Klahowya Editor; and Nancy Ingels, Clover Leaves Editor.

The council's job always starts during the summer before school opens, when plans for the handbook and other immediate duties are taken care of. In keeping with tradition, Milton Clampitt, Vice President, was in charge of the student handbooks and the football programs. Suzanne Hardgrove was accepted as assistant to the treasurer and Dennis Reeve, Carol Nelson, and Suzanne Hardgrove were selected to make up the Assembly Committee with the approval of the faculty and the student council.

Loy Harvey, Social Secretary, began the year to the best advantage with a bang-up "Hi-Ya" dance. Loy Ann McGee was in charge of a similar affair for the junior high. Both dances were highly commended and were very successful in letting the old students get acquainted with the new.

Upon the passing of Walt Evans, well known Clover Park bus driver, custodian and sports enthusiast, the council established a Walt Evans Memorial Plaque to be awarded to the senior high boy who won a varsity letter and also had the highest grade point average for the year. Four of the council members attended the Student Leaders Conference at the University of Washington. Exchange council meetings were held with Stadium and Olympia. The first being at Clover Park and the latter at Olympia. The meetings were held to discuss various problems common to the administrators of student governments. The council also bought a pop corn machine at the recommendation of Mr. Stowe.

The year was concluded with a picnic and a party given by the old members for the new.

CLASSES

PAST DEEDS *of the* CLASS *of* '53

The class of 1953, with six years of achievement behind them, has brought many honors to their alma mater. In the seventh and eighth grades, under the leadership of William Dodge and John Stevens, respectively, this class showed their upperclassmen that they had the enthusiasm and ability to later become a very outstanding group. In 1947 Diane Link represented her class in the Klahowya court and the following year Donna Cooper was chosen.

As ninth graders, the class went into full action, taking over their duty as Junior High leaders. Gordon White was chosen as representative-at-large for the Senior High Council and John Stevens as class president. The Girls' Club sponsored the Junior High dance and it turned out to be a huge success. The Kiwanis Inspirational Award went to Diane Link, Girls' Club President, and Gordon White. Anne St. John was chosen as Klahowya attendant.

Beginning their first year in Senior High, the class of 1953 was known as the peppiest Clover Park had had. With Nancy Ingles as class president they were well on their way to success. The class elected Joan Harris as Klahowya attendant and Jack Ellingson as Duke of the Girls' Club Tolo, as representatives of looks and popularity.

"Bon Voyage" was the theme of the annual Sophomore Farewell dance. Lorinda Dana and Dale Homestead were the co-chairmen for the affair. Their very successful booth at the school carnival was made up of talent from the class which consisted of musicians and artists who drew caricatures of the participants of the carnival.

The class made a fine showing in sports when the sophomore girls' speedball team won the championship and also their volley-tennis team came in first after an undefeated season. Outstanding in sports were Les Johnson in football, Del Brown and Tom Peterson in basketball, Bob Wallace and Del Brown in baseball, and Dave Steen in golf.

As juniors, the big event of the year was the successful Junior Prom. The co-chairmen, Nance Ingles and Marlene Hudtloff, chose the theme and name of "Snowbound." The class also gave a stocking dance at one of the games. Donna Cooper was the very capable class president and helped to lead her class in another very successful year. Helen Van Antwerp was chosen on the basis of her good looks for Klahowya attendant, as was Berta Young for homecoming attendant, and Les Johnson was Prince for the Girls' Club Tolo.

Awards in the junior year went to Loy Harvey who was chosen as the representative to Girls' State and from there she had the honor of being one of two girls from the State of Washington to go on to Girls' Nation. Jack Ellingson, Dave Steen, Gordon White, and Maynard Polkinghorn went as Boys' State representatives.

Early in the year tryouts and rehearsals were held for the Senior Class Play, "Dear Ruth." Under the skillful direction of Virginia Heidbreder and the student director, Terry Murphy, the comedy play was a brilliant success.

Heading the list of successful events was the Senior Ball, held December 5 in the Girls' Gym. Much of the credit goes to Bud Richardson and Barbara Williard, co-chairmen of the affair. The theme was "Skaters' Waltz" with the decorations being carried out in a typical winter scene. Larry Careno provided the music. Inese Cakarnis was crowned Queen Inese I at the thirteenth annual Klahowya Dance, attended by Joan Ockfen and Joan Harris. Helen Van Antwerp reigned as Homecoming Queen, and Bob Moscatelli was chosen by the senior girls as Tolo King.

President Dave Steen, with his cabinet and various committees, worked very hard performing the duties concerning graduation and other senior activities. Gordon White held the highest office in Clover Park, that of A.S.B. President, and he did a very fine job. Outstanding athletes proved to be Les Johnson, Del Brown and Don May, football, basketball and baseball captains, respectively. Mike Kulesza was the inspirational award winner in football and George Ghilarducci proved to be the inspiration behind the basketball team.

On June 8, 1953, 236 graduated in the Boys' Gym at 8:00 p. m. The seniors elected to be attired in caps and gowns of blue and white, with the girls in all white. Baccalaureate services were held June 7.

JUNIOR CLASS OFFICERS
ROW 1. left to right: Dick Phenneger, Mrs. Hoar, Dale Hruby, Doug Smidt, Pat Jarvis.

CLASS OF 1954

The class of 1954, the Junior Class of Clover Park, had a wonderful, busy and eventful year. The Juniors were active in every field and organization that Clover Park has to offer. Those who were really outstanding in various fields were: Marilyn Lunger and Duncan Manning in music; Pat Pitzer, Joan Hansen, and Ed Robinson in forensics; Joan Hansen and Pat Pitzer in dramatics; Kenny Peters and Don Price in football; George Dixon, Don Price, and Don Hearon in basketball; John Call in swimming; and Sue Richey was a yell leader.

Edna Wiley was elected by the Juniors as the 1953 Klahowya attendant. Gayle Switzer was chosen to be the Homecoming attendant for the Junior Class. The Hi-Y crowned Pat Pitzer as "Miss Pepsi of 1953" at their dance. The girls of the class elected Ben Sauls as Tolo Prince for the Girls' Club Tolo.

In the seventh grade Mike Jarvis was president of the class of '54.' During the eighth and ninth grades Booth Gardner took this place of honor. (Incidentally, it was in the ninth grade that Sue Richey and Bob Winn won the Kiwanis Inspirational Award.) Last year Bob Winn was Sophomore Class president. The Class of 1954 was headed this year by Doug Smidt, who did an outstanding job as president. Dale Hruby filled the position of vice-president, Pat Jarvis was secretary, Dick Phenneger was treasurer and Blaine Smith was sergeant-at-arms. The very fine class advisors are Mrs. Ellen Hoar and Mr. Wes Saxton.

Ritchie Baird and Don Washburn were the co-chairmen of the annual Junior Prom. The title, which was "Inaugural Ball," was in keeping with the outstanding occasion which was held this year in Washington, D.C. The clever decorations followed this theme, and naturally the dance, a traditional formal dance at Clover Park, was a great success.

The Junior Class, as before, was in charge of decorating for the graduation exercises. This final activity completed their year in fine style.

CLASS OF 1955

SOPHOMORE CLASS OFFICERS
ROW 1, left to right: Sharon Link, George Boldt, Karen Hardy. ROW 2: Miss Jugovich, Don Kline, Al Ballinger, Mr. Millikan, Jerry Reese.

Clover Park's Sophomore Class, although the youngest group in the senior high and unable to participate in everything, has really shown the rest of the student body that the class is full of spirit and pep. The Sophomores have certainly made a name for themselves this year. The class' interests and talents have proved that they will make fine leaders in two years when they take over.

Chosen by the class to represent them were: George Boldt, president; Sharon Link, vice-president; Jerry Reese, treasurer; Don Kline as sergeant-at-arms; and Karen Hardy, social chairman.

The class activities and meetings were under the guidance of Miss Jugovich and Mr. Millikan, class advisors.

The sophs started the year off with a bang by winning the football ticket-selling contest. George Boldt, class president, acted as master of ceremonies at the Homecoming Game in December, at which the class was represented by a fine float. Among the students representing the class at different occasions were: Ann Mattieson, at the Klahowya Dance; Georgia Haman, at the Homecoming Dance, and Joe Ghilarducci, duke, at the Girls' Club Tolo.

Karen Hardy and Janet Fox were co-chairmen for the Sophomore Farewell Dance and their hard-working committees planned an outstanding affair held on May 29.

Committee heads for the affair were: Entertainment, Gretchen Cliff; decorations, Carol Strickland; tickets, Frances Smith; refreshments, Jim Lapsley; chaperones, Ron Alger; clean-up, Claudia Clampitt and Don Kline.

The dance, dedicated to the departing Seniors, was semi-formal.

In the Sports Hi-Lite the Sophomores shone. The only Sophomore receiving his letter in football was Dave Hendry. Others playing with the varsity team were Don Kline, Larry Presley, Darrel Cobb, and Jim Cammel while George Boldt, George Harkness and Gene Zion suited up for reserve games.

Basketball proved to be their main event as they brought back the "Soph City Championship" for the second year in a row. The boys on the first string winning their fourteen games out of seventeen consisted of Dave Hiser and Dave Hendry high point men, Gary Milgard, Gary Hagen, Jerry Reese, and Mike Paulus. Gary Milgard also added fame to the class by playing on the varsity basketball team.

KLAHOWYA DANCE

Joan Harris and her very capable committee did much to make the annual 1952 Klahowya Dance a great success. The dance was entitled "Gone with the Wind," and the court reigned over the girls' gym delightfully decorated in a Southern Colonial style. Taking place on November 8, "Gone with the Wind" was one of the big events of the year.

Queen Inese Cakarnis I ruled over a court of lovely attendants. The senior maids of honor were Joan Ockfen and Joan Harris. The attendants representing the other classes were Edna Wiley, junior; Ann Mattieson, sophomore; Sandy Manley, ninth grade; and Kristie Johnson, eighth grade.

Queen Inese I was crowned by Student Body President Gordon White after he read the royal proclamation. The queen and her court then joined their escorts for the dance.

SENIOR BALL

Snow, ice, and skating figures set the scene for the Class of '53's Senior Ball.

The ball, so appropriately named "Skaters' Waltz," was presented on December 5 in the girls' gym. The end of the gym was decorated with a life-like skating scene and the walls were decked with figures.

Under the leadership of Co-chairmen Barbara Willard and Bud Richardson, the committee chairmen did a very successful job. The chairmen were: Duane Van Beek, clean-up; Del Brown, entertainment; Loy Harvey, chaperones; Nancy Ingels, music; Nancy Crusan, tickets; Sandra Fox, decorations; and Gayle Bartlett, refreshments.

This dance will long be remembered as one of the most enjoyable of the year.

HOMECOMING

Homecoming was held on December 31 under the co-chairmanship of Beverlee Haman and Jack Ellingson. The chairmen of the committees were: Laura Ross and Milton Clampitt, publicity; Tom Picton, decorations; Doug Smidt and Mike Sheridan, clean-up; George Boldt, signs; Nancy Triplett, refreshments.

Half-time entertainment was provided by the various school clubs. Any club or organization could enter a float and they were presented and judged at this time. First prize was given to the Band Float.

After the basketball game with Stadium, the Homecoming dance was held in the girls' gym. The highlight of the evening was the coronation of Homecoming Queen Helen Van Antwerp I. Her attendants were Gayle Switzer, Junior representative, and Georgia Haman, the Sophomore choice. Queen Helen wore an all-white gown while Gayle was in coral and Georgia in forest green. Ron Bowser, winner of the beard-growing contest, crowned Queen Helen.

"Gay Nineties" was the theme of this very successful dance and barber poles were carried throughout the decorations.

HI-Y DANCE COMMITTEE
SEATED: Bob Frankland, Mike Sheridan, co-chairmen. STANDING: Gary Yost, Gordon White, Milton Clampitt, Bill Martin, Dick Phenneger, Bill Mazza.

HI-Y DANCE

"The Pepsi Bounce" was this year's annual Hi-Y Dance. The theme of the dance was quite novel and was carried out wtih clever and colorful advertisement placards, large Pepsi bottles, banners, and paper Pepsi hats, used as tickets.

The Hi-Y Club chose Bob Frankland and Mike Sheridan as co-chairmen. Their committee consisted of Milton Clampitt, decorations; Dick Phennegar, clean-up; George Ghilarducci, chaperones; Gordon White, entertainment; Bill Mazza, refreshments, and Gary Yost, publicity.

The chaperones for the affair were the parents of the Hi-Y Cabinet, the club advisor, Mr. Fynboe; Miss Marie Helmer, Clover Park social advisor, and parents of the co-chairmen.

BOYS' CLUB SMOKER

This year's Boys' Club Smoker was a huge success. The Boys' Club sponsored the popular smoker in place of their dance and Bill McPhail was chairman of this event. The Smoker was held in the boys' gym in March.

A special feature of interest was the tag-team wrestling match composed of Dale Homestead and Lonnie Roberts against Duane Van Beck and Don May. The ringside announcer was Bill Moph. Mr. Art Hutton acted as referee.

The audience was composed primarily of students and the citizens of the surrounding community. They are looking forward to the coming of next year's Boys' Club Smoker.

Eagle-eye Hutton is watching this round.

GIRLS' CLUB TOLO COMMITTEE
ROW 1, left to right: Laura Ross, Berta Young, chairman; Peggy Hay.
ROW 2: Sandy Sheridan, Sue Deering, Carol Nelson, Janette Lofgren.

GIRLS' CLUB TOLO

On February 14 the Girls' Club presented their annual tolo from 8:30 to 11:39, in the boys' gym. The gay theme of Valen-time was carried out to perfection in all the colorful decorations and festive atmosphere.

At 9:00 the band played a march and the royalty entered. First, Duke Joe Ghilarducci, then Prince Ben Sauls, and finally Bob Moscatelli, the Tolo King, who was crowned by Klahowya Queen Inese Cakarnis. The king and his court were then led by their escorts to the dance.

Assisting Berta Young, dance chairman, were Sandra Sheridan, decorations; Laura Ross, publicity; Barbara Roberts, entertainment; Carol Nelson, chaperones; Jeanette Lofgren, clean-up; Peggy Hay, tickets, and Judy Disch, card tables.

Junior Prom Committee

Sophomore Farewell Committee

JUNIOR PROM

The Junior Prom this year was based upon an election theme. The regal title was "The Inaugural Ball" in honor of the newly elected school officers. The decorations, under the capable direction of Marni Turpin, closely resembled an elegant ball room. The music was furnished by Bob Dickenson and his band. The entertainment chairman, Barbara Craft, secured George Bellah and his partner to sing during intermission. Dave Berntsen and his ambitious, hard-working committee were in charge of clean-up. The welcome refreshments were managed by Steve Merrill. Marlene Seabeck was in charge of all the publicity. The chaperones were contacted and invited by Wynne Steele.

The annual dance was a huge success and the clever theme was a refreshing novelty. The dance was well planned and a credit to the class of '54. The co-chairmen were Don Washburn and Ritche Baird.

SOPHOMORE FAREWELL

"Aloha Oeil" was the theme of this year's annual Sophomore Farewell Dance. The romantic Hawaiian atmosphere was carried out to a minute detail. The tickets were designed as the traditional Hawaiian Lei. The soft twilight of the dance floor was enhanced by the huge silver moon by the orchestra. The decorations were lovely palm branches and coconuts. The annual sentimental tradition of a farewell dance to the graduating seniors was very beautifully continued by this year's Sophomore Class. The title itself, "Aloha Oei" is the Hawaiian translation of "Farewell to thee."

The capable committee was under the combined direction of Co-chairmen Karen Hardy and Janet Foxx.

GIRLS' CLUB

Girls' Club spent a very busy year under the leadership of its president, Donna Cooper, and her cabinet consisting of Frances Slead, vice-president; Dara Skiens, appearance of the school; Georgia Haman, friendship; Berta Young, social; Jeanette Lofgren, standards; Gayle Switzer, service; Peggy Wilbur, program; Helen Van Antwerp, secretary; Pat Pitzer, publicity; Pat Moran, decorations; and Judy Disch, clerical.

Many new projects were introduced this year, but the most outstanding was the starting of a drive to adopt a war orphan by the school. Also another new one was the selling of "comfy cushions." Perhaps one of the most unusual weeks the school had ever seen was "pickle week." The Girls' Club sponsored one at the beginning of the school and was so successful they had another one later on.

The Thanksgiving and Christmas drives were carried out very successfully with the help of the Boys' Club.

The annual Girls' Club Tolo presented in February and the Mother-Daughter Tea in May were the biggest social events for the Girls' Club. Under the guidance of Chairman Berta Young they were very successful and they were enjoyed by all.

Mrs. Battin served as a very capable advisor and without her the Girls' Club could not have functioned as well as they did.

BOYS' CLUB

This year the Boys' Club of Clover Park was headed by President Jack Ellingson and their advisor, Mr. Vinyard.

The main project this year put on by the Boys' Club was making the phone books which contained the address and phone number of every student in Clover Park. Hank Pitzler was chairman of the hard-working committee which deserves everyone's thanks. The phone books really did come in for a lot of use.

The Tahatawa nights were a joint project of Girls' and Boys' Clubs.

Remember the war orphan the Girls' Club adopted? Well, part of the credit goes to the Boys' Club; they contributed a wonderful amount to the fund.

Thanksgiving and Christmas rolled around and the Boys' Club furnished the girls transportation when they delivered the baskets from the Food Drive.

The exciting Smoker we all saw was a project put on by the Boys' Club.

HI-Y

Under the capable leadership of Maynard Polkinghorn, the Hi-Y organization has been very active. Many of the odd jobs which any school needs are fulfilled by our Hi-Y.

If you've been to the stocking dances this year, you've probably seen one or two boys standing at the doors. They're there to see that our dances aren't crashed.

Noticed the billboard out in front of the junior high? Thanks to the guys in Hi-Y people outside of our school are able to keep track of our activities. And hasn't the patio been looking wonderful this year? Well, we point with pride to the Hi-Y once more.

Other activities the Hi-Y participates in are big ones. For instance, one boy is selected from the student body to represent Clover Park at Boys' State. Also one or two boys are chosen to represent Clover Park in the Youth Legislature at Olympia.

TAHATAWA

Tonight's Saturday night — what can we do? Remember? Tonight's Tahatawa. Let's all go, we can dance, or play chess, checkers, basketball, table tennis, volley ball or practically any other game we can think of.

This year the Senior High had seven Tahatawas, while the Junior High had six.

The committees have worked long and hard to think up something that would appeal to anyone who comes to the party.

DRAMA CLUB

This year the Drama Club began one of its best years with the enrollment the largest ever attained, seventy-eight members. The object of the club is to teach the background of the theatre and preparation for acting. The ultimate goal of a member is to gain ten points through theatrical work to become a Thespian.

Highlighting the club's activities this year were the colorful and humerous initiations. At the monthly meetings the members take parts in skits or plays to give them some experience in the entertainment world.

DEBATE CLUB

Under the direction of the debate coach, Mrs. Heidbreder, this year's club has been very busy. The members have participated in the debate tournaments in the county. All the members of the club entered the Twentieth Annual State-Wide High School Fornsics Tournament at the College of Puget Sound in March.

The members receive valuable training in public speaking and experience in debate technique. The debaters also gain knowledge of the foreign affairs of the world, as the members all debate the national question of the year, which is a problem of current interest.

ROW 4: Barry Murphy, Milton Clampitt, John Sayre, Jim Rivens, Gordon White, Terry Murphy, Don Washburn, Gene Farnsworth, Dave Steen, Berta Young, George Ghilarducci.

THESPIANS

The Thespians of Clover Park were very active this year. They sponsored two well-known plays: the Senior Class play, "Dear Ruth" and the all-school play, "Life with Father." The Thespians also presented the play, "A Night at an Inn" before the school for International Theater Month in connection with the United Nation's American Theatre and Academy.

In May they held their annual spring banquet and initiation at which time the "Best Thespian of the Year" was announced and various awards were given.

This year's officers were: President, Pat Pitzer; vice-president, Robin Hopkins; secretary, Karen Mortensen; treasurer Loy Harvey; clerk, Deloris Sutherland.

ASSEMBLIES

The purpose of the assembly committee is to plan and to present to the student body a variety of programs. They are responsible for arranging the talent assembly, in which all may participate, and also make plans for the exchange assemblies.

Representing the faculty are Mrs. Gibson, chairman; Mrs. Heidbreder, Mr. Taylor, and Mr. Brevik. The student members, acting as host and hostesses to all guests, are Carol Nelson, corresponding secretary; Suzanne Hardgrove, publicity, and Dennis Reeve, general stage manager.

ROW 3: Bob Barnes, Mac Keys, Bob Mertz, Dale Wirsing, Robert Monson, Ron Koube, Lonnie Roberts, Mike Kulesza, Mark Hansen.

GERMAN CLUB

This year among the new clubs is the German Club. The students organized this club to promote more interest among the German students. Just recently some interested German students took the initiative in forming their new club. The students from Mr. Burkhart's and Mr. Heytvelt's classes consulted Mr. Gray and found the possibilities for a new club were good. Dale Wirsing was head of the Constitution Committee which drew up a fine constitution. The club has come a long way since its inception early in March. The officers are: Jerry Petrone, president; Robert Monsen, vice-president; Paul Meyer, sergeant-at-arms; Inese Cakarnis, secretary, and Robert Wood, treasurer. Their advisor is Mr. Burkhardt.

LIBRARY STAFF

Clover Park has long been proud of her fine library. The group of students who are largely responsible for our efficient library make up the library staff. The staff consists of thirty-five students who work before school and after school and during their study halls, checking in and out books, keeping the library in order and helping people find lost books. After one hundred and five hours of service they earn a letter for their services. This year's staff consists of Ida Leedon, head of staff; Muriel Hopper, assistant head of staff, and Karen Tucker, secretary. Their biggest job is inventory. Aside from their work they have a great deal of fun at the parties which they hold about once every two months.

Miss McDonnell is their advisor.

ROW 4: Frances Payton, Carol Stringfellow, Mary Ann Richardson, Doris Avril, Shirley Arko, Sandra Briscoe, Donna Familton, Barbara Brown, Barbara Hays, Carole Langdon, Linnea Carlson, Arlene Jackson, Berta Congdon.

COMMERCIAL CLUB

If you want to see 45 of the busiest girls in Clover Park, watch the Commercial Club at work. The purpose of the club is not only to handle all the sales and business of the school, some of it for the first time this year, but also to enable the girls entering into the business world to gain training and experience in business finance and record keeping.

The membership is open to Senior High students who show interest in or who express a desire to gain experience along commercial lines. The members are fairly evenly divided among the seniors, juniors and sophomores, so the club will never lack experience.

SAFETY PATROL

The worth of high school Safety Patrols has been proven by their high record of accident prevention. These safety organizations are maintained throughout the country and are sponsored by the State Patrols.

Clover Park is fortunate to have a very capable group. Controlling hall traffic, maintaining order in the halls and enforcing all regulations are some of their main duties. Two new duties of the Safety Patrol are controlling the traffic light and patrolling the school cross-walks and directing and parking cars at all school functions.

TORCH HONOR SOCIETY

The object of the Torch Honor Society is "to establish good fellowship among the students interested in the pursuit of knowledge, to encourage scholarship by recognition of merit and to promote good school citizenship."

The president of this worthy organization is Margery Carlstrom. The vice president is Patricia Moran and the secretary-treasurer is Donna Williams. The club consists of about fifty members.

This organization has a fifty-dollar scholarship fund which is awarded every year to a graduating senior that is in the Torch Honor Society. The winner is voted upon by the total membership of the club. The money is held back until the winner enters college and then is credited to the student. For this reason, this club is able to sponsor a stocking dance.

"Character development being a basic aim of this organization, good school citizenship shall be a prerequisite for eligibility to membership." Eligibility also depends upon the earning of points according to a set distribution. These points are based on grades and major and minor school activities.

Miss Dorothy Getty is the very able advisor for this club. A great deal of credit goes to Miss Getty and all of the members of this organization for their fine work.

STAGE CREW

The stage crew is in charge of setting the stage for plays and concerts. This requires knowing how to fix the track equipment, build a room on the stage, or how to set up risers for music groups. They work hard hammering and sawing, mending and making, and doing a wonderful job. Mr. Radabaugh works right along with the crew to see that everything goes all right and to offer suggestions. He is the crew's congenial advisor. Assisting him is Barry Murphy, the manager.

STAMP CLUB

This year a new club, Stamp Club, was formed at Clover Park. Its objective is to provide an organization to bring stamp collectors together, to exchange stamps and information. The club also furnishes a means of selling duplicate stamps to each member, which benefits both the student and the club. They have had speakers, who were stamp authorities, and also receive the magazine, "Lynn's Stamp Weekly."

The officers of the Stamp Club this year were: Jerry Petrone, president, and Vera Ann Daniels, secretary. The twenty-five members meet twice a month. Miss McDonnell is their advisor.

BOOK ROOM

Serving the students before and after school with everything from felt hats to loose leaf paper is the Student Book Room under the direction of Secretary of Industry John Sayre and Mr. Haglund, advisor.

The students can get all the school supplies they need from the Student Book Room. Its main purpose is to supply the students with school necessities. It also sells "Warrior" tags to put on license plates, workbooks, hats, and book covers.

Working in the book room this year are John Sayre, Myrna Chang and Gail Hart.

Who plans the clever skits for the pep assemblies? Who makes all the pom-poms for the games? Who "hollered" in the halls during lunch time to "buy your bus tickets"?

The Pep Club, of course! This group of boys and girls are the peppiest students in Clover Park. With Laura Ross as their president they planned the bus trips to away games, the conga line at the Puyallup game, and the pep assemblies.

Mr. Fynboe, their advisor, was a great help to the club. He went on the busses to all the games away from home and helped the club with their activities.

This club is fairly new at Clover Park but it has almost the largest membership of any. The students like the idea of the club and they go "all out" for it. They pull together in their ideas and plan them together.

GIRLS' LETTER CLUB

All girls who have earned a senior high letter may become a member of the Girls' Letter Club. Each member must usher at two social functions such as plays, concerts, graduation and baccalaureate.

The President, Carol Nelson, guided it through the year's work with the help of the advisor, Miss Fosler.

VARSITY CLUB

The Varsity Lettermen's Club, made up of the boys who have earned a varsity letter in a major sport or earned a varsity letter by being a manager of a major sport.

The boys meet twice a month to discuss and see movies on sports, and also participate in these sports. The Varsity Club has the job of handling the sports events at the home games, and the regulating of wearing athletic letters.

Leading the thirty-five boys, approximately, this year were: Les Johnson, president; Danny Grogan, vice-president; John Stevens, secretary-treasurer, and Mr. Austin, advisor.

CHOIR

This year Clover Park is fortunate to have Al Brevik for their director. Just this year he has come to join our music department and we are proud of his fine work. He is very well known in Seattle for his work in music and as chief director and planner for all the halftime shows at the University of Washington.

Clover Park has every right to be proud of her choir for it has become one of the best choirs in the area. Since the choirs' first appearance at "Back to School Night," they have added about ten new voices making the total voices about fifty, which is larger than it has ever been. Because of the great improvement and spirit in the choir, it has had many engagements. They sang at the Lincoln Day Banquet and they looked forward to singing at the Sunrise Service Easter morning. They had many engagements which would have gone to the Nonettes, but the choir had proven they can sing well and deserve an equal rank with the Nonnettes.

At Christmas they sang in the Christmas Concert and at the Western State Hospital among other engagements. They particularly enjoyed singing at the Western State Hospital for those less fortunate than we.

Each choir member is proud of her or his choir robe and the honor and work that goes with it.

NONETTES

"Nonette" means nine, so "Nonettes" mean more than nine or eighteen which is the number of girls in nonettes; six sopranos, six altos, and six second sopranos make up this group. They, too, are fortunate to have Al Brevik as their director. This year Nonettes is an entirely after school project. Each one gives her own time along with Mr. Brevik to make Nonettes a success, but if you asked any of them, they would say it is well worth it. During Christmas the Nonettes had many engagements to entertain different organizations. They also took part in the Christmas Program at school.

The Nonettes are chosen at tryouts at the beginning of the school year and girls from both junior and senior high belong. If you happen to pass by some Monday night after school and hear eighteen blending voices, stop and listen; that's your Nonettes.

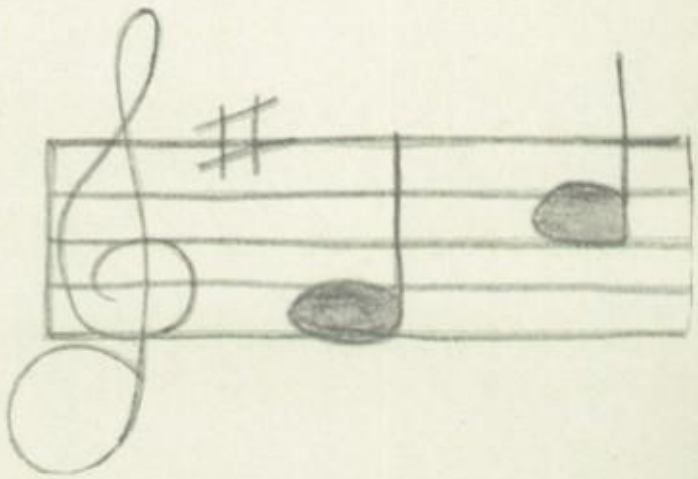
BAND

The Senior Band had a busy and very successful year. Mr. Ren Taylor was the very talented conductor of this group of sixty-four pieces. The band council included Dick Phenneger, president; Paul Meyer, vice-president; Becky Rademacher, secretary; Jim Sweeney, treasurer; Marilyn Lunger, band librarian; and Bud Jowders, band manager. The band's biggest job was writing the constitution this year, making the band a working organization.

The band performed approximately forty-five times, including the pep assemblies, games, and exchange assemblies at Bethel, Bremerton, Peninsula, and Pacific Lutheran College. Other performances were for Back-to-School Night, the Spring Concert, the music department assembly, and the Daffodil Parade. At the Solo and Small Ensemble Contest, nine soloists and four ensembles played for high ratings and eleven represented our band in the Festival Band or Orchstra. Marilyn Lunger attended the Northwest Music Educator's Conference.



ORCHESTRA

Due to the departure of Miss Wahlgren, former Orchestra director, the Senior Orchestra was taken over by Mr. Ren Taylor, Band director.

Although the strings numbered only 20 they performed very well under their new director. In November the full orchestra (including 18 members of the band) played on Campus Radio Theater. Later that month they played for the Senior Class play and supplied the traditional music for the Christmas program.

When the new year rolled around the interest turned to the Solo and Ensemble Contest, in March. The ensemble from the orchestra, the Violin Duet, consisting of Sharon Smith and Linnea Carlson, received a III. Florence Davisson and Sharon Smith, only soloists, received I and II, respectively. Those performing in the full orchestra were Linnea Carlson, Sharon Smith and Dorothy White.

CHORUSES

There are about 75 girls in the Senior High Girls' Chorus, made up of the Girls' Glee and the Girls' Chorus. These classes meet third and fifth periods, respectively. Another group making up a different chorus is the second period class of junior high boys and girls. They proved themselves to be good performers in the Christmas program. The Senior High Boys' Glee is made up of senior high boys and meets first period.

These different groups of singers are all under the direction of Mr. Al Brevik, and they made their first appearance in the Christmas program and were very well received. They also took a part in the spring production, "Inside Clover Park." A concert of this kind is presented every year featuring the music groups of Clover Park.

These groups each have an accompanist. The accompanist for the senior high boys is Duncan Manning. The accompanists for the second period class are Mary Fagg and Gail Baker. The Girls' Glee accompanist is Janice James, and the accompanist for the Senior High Girls' Chorus is Pearl Light.

QUARTETS

This year Clover Park's music department went in for small ensembles. Most of these went to contests at which all received excellent or superior ratings. The ensembles were:

String Quartet — Sharon Smith, Ida Leedom, Linnea Carlson, Pat Moran.

Violin Duet — Linnea Carlson, Sharon Smith.

Clarinet Quartet — Marilyn Lunger, Duane Hopper, Bill Richie, Bill Holland.

Woodwind Quartet — Marilyn Lunger, Becky Rademacher, Alice Umpstead, Keith Holsapple, Don Magnusson.

French Horn Quartet — Paul Meyer, Don Magnusson, Clark Hamer, Ellwood Sillifant.

SENIOR CLASS PLAY

SENIOR PLAY CAST
LEFT TO RIGHT: Dave Scearce, Judy Dunkin, Nancy Roberts, Don Willard, Jim Rivens, Joan Harris, Milton Clampitt, Loy Harvey, Dara Skieens, George Ghilarducci.

The Senior Class Play, "Dear Ruth," by Norman Krasna, was presented November 20 and 21. The scene was the Wilkin's living room in Kew Gardens, Long Island. Mrs. Wilkins was portrayed by Loy Harvey. Judge Wilkins was played by Milton Clampitt. The Wilkins' two daughters were Ruth, played by Joan Harris, and Miriam, who was done by Dara Skieens. Ruth is in her early twenties and is engaged to a very interesting character, Albert Kummer, who was played by George Ghilarducci. Miriam is a teenager, very interested in helping the World War II effort. She writes letters to lonely servicmen. In these letters she uses her sister's name and pictures so that it looks like Ruth is doing the letter writing. A love triangle starts when one of the servicemen comes home unexpectedly. He is Lt. William Seawright, who was played by Jim Rivenes. He brought with him his buddy, Sgt. Chuck Vincent, who was played by Don Willard. Chuck is in love with Bill's younger sister, Martha Seawright, who was portrayed by Nancy Roberts. After Chuck runs all over town trying to find a wedding ring for Bill, he finds and quickly marries Martha in the Wilkin's home. Meanwhile, poor Albert was being pushed around quite a bit. Ruth decides to marry Bill and leaves, with one of her father's quickest weddings, just before Albert arrives. Soon after, Harold Klobbermeyer, played by Dave Scearce, another of Miriam's lonely servicemen, comes. Judy Dunkin played Dora, the patient maid. She was understudied by Barbara Ward.

Mrs. Heidbreder directed the play. She was assisted by Terry Murphy.

ALL-SCHOOL PLAY

This year's all-school play is Clarence Day's "Life with Father" made into a play of three acts by Howard Lindsay and Russel Crouse. The play is the famous Broadway hit which deals with the baptism of Mr. Clarence Day, Senior. The entire action takes place in the morning room the Day house on Madison Avenue, New York City. The time is Spring, late in the 1880's. The part of Mr. Day is taken by George Bellah. Pat Pitzer plays the part of his wife, Vinnie. There are four children in the Day family—all boys. Don French had the part of Clarence, the eldest, about seventeen. John, the fifteen-year-old, is played by Richard Smith. Dave Steele has the part of Whitney, who is ten, and Harlan, the six-year-old, is portrayed by Robert Haddon.

The part of Margaret, the Irish cook, is portrayed by Claudia Clampitt. The maids are Annie, Sandra Slater; Delia, Luann McDougall; Nora, Shirley Ninman, and Maggie, Sharon Bartlett.

Visitors to the Day home are Cousin Cora, played by Gayle Switzer, and her traveling companion, Mary Skinner, played by DeLois Groth.

The rest of the cost consisted of Rev. Dr. Lloyd, Paul Meyer; Dr. Humphreys and Dr. Somers, Larry Barr and Duncan Manning, respectively.

The production staff consisted of: Stage manager, Barry Murphy; properties, Joan Evans, Mary Rodgers, Gail Romane, Delores Sutherland, Judia Oaks; make-up, Bud Richardson, Milton Clampitt, Joan Hansen, Carolyn Hutkoi, Don Washburn; publicity, Muriel Hopper; posters, Mark Smith; programs, Joan Hansen, Susan Bryant; costumes, Pat Moran, Catherine Wakefield, Sandra Waid, and Suzanne Hardgrove; furniture, Margaret Turpin and Mary Ann Richardson; set, Richard Schinnell, Richard Milne, Leslie Haye, James Cammel, James Sweeney and Carolyn Bennett; stage crew, James Scearce, Barry Murphy, Michael Wilcox, John Davis, and Albert Kehr.

CLOVER LEAVES

NANCY INGELS
Editor

During the past year the student body has had the pleasure of reading one of the best school publications in the Northwest. The efficient staff of the Clover Leaves has given us an accurate account of athletics, Student Council activities, and all other school functions.

Under the capable direction of Nancy Ingles, the editor, and Mr. Raphael, advisor, the news staff has done a brilliant job. The sports events were reported by Bob Winn, Mike Sheridan and Berta Congdon. Their "nose for news" has certainly been excellent. The sports staff faithfully prepared articles on team members and activities throughout the year.

The news department was handled by Barbara Brockway, Gayle Bartlett and Sally Potter. During the course of the year many tedious jobs have fallen to these willing students.

As art director, Laura Ross added still another duty to her already busy days. She has supervised the art department very capably.

As social editor of our paper, Sondra Forsythe has done a fine job. She has "covered" the dances and social events of the year very well.

The busy feature staff consists of Ann Stoaks, Karen Tucker, Joan Kittleson and Sandra Fox. All of those clever quips and rhymes as well as the personal articles featuring teachers and individual students are written by the feature staff.

The hard-working advertising staff was manned by Donna Cooper, Milton Clampitt and Ron Dawson. These students worked tirelessly in soliciting ads for our paper.

Exchange proceedings were handled by Barbara Ward. The Clover Leaves exchanges copys of the paper regularly with neighboring schools, thus notifying us what other schools are doing.

Dave Steen and Bob Frankland took the photographs which appeared in the paper during the year. Mr. Trimble has acted as their advisor.

The business staff and advisor are Judy Disch, Carole Langdon and Miss Jugovich. The business staff does a great deal of "behind the scenes" work that should not go disregarded.

All of the students on the staff are enrolled in Journalism class. To be eligible for a position on the staff, you must have an active interest in our school as well as an interest and ability in the field of Journalism.

KLAHOWYA

The Klahowya Staff of this past year has worked very hard on the publication of our annual year book, the Klahowya. They have truly been justly rewarded for their faithful service. The editor, Karen Mortensen, has very capably supervised the over-all production, while the various sections were delegated to separate committees.

Th Literary Staff was under the direction of Joan Harris. It is the members of the Literary Staff who write the articles you see in the Klahowya. It is Joan Harris' job to see that proper assignments are given and turned in on time.

The Advertising Staff has a great responsibility and a big job in soliciting advertisements which appear in the book. The students who are members of the Advertising Staff must personally go to the individual business and sell them space for advertising. It is the advertisements which help to finance our annual, as well as to furnish space for autographing. The editor of the Advertising Staff was Sandra Sheridan.

Tom Picton acted as Art Editor, while Bob Frankland and Dave Steen supervised the photography. Mike Sheridan worked as Sports Editor, organizing the pictures and articles; Sandra Fox served as Business Editor; Marlene Hudtloff was the Publicity Editor and prepared an assembly to advertise the Klahowya and Paul Meyer capably served as Assistant Editor.

The Student Life section is always one in which there is a lot of personal interest. The members of the staff collect pictures and select the winning pictures for the current year. Sally Potter was Student Life Editor.

VARSITY FOOTBALL

In his four years as head football coach at Clover Park High School, Gerry Austin built the road that carried the green and white gridders from an unnoticed pigskin machine to one of the state's foremost grid powers. Undefeated and with only a tie to darken their record, the Warriors were ranked seventh in state-wide competition, a fitting tribute to the coaching staff, who groomed the squad on the intricacies of the "T" formation.

Line mentor Art Hutton had enough 1952 felt winners to field a strong first string line but had to depend upon much green material to fill the reserve position in the forward wall. The backfield was termed "loaded," and with able reserve strength and fine coaching it proved to be one of the state's best.

The Warriors opened their 1952 season with the TAC Grid-Go-Round, winning it handily with wins over Lincoln and Bellarmine. The following two weeks the Warriors bested Olympia and Bellevue, both non-conference opponents. Olympia succumbed by a 13-17 count, and Bellevue blasted by a 38-7 score. The next weekend Puyallup provided the opposition for the Warriors' Puget Sound League opener. In a close tilt the Vikings fell before the Tribe 18-14. It was the first time a Clover Park team had defeated a Puyallup foe on the gridiron.

Clover Park then traveled to Kent-Meridian where they walloped the Royals 33-0. Auburn was the next victim of the green and white machine, as they suffered a 32-0 shellacking at Thompson Field. The following week the Tribe moved to Renton for their biggest test and they came through on top in a real thriller, 32-18. Highline proved to be the tough one on the Warrior schedule as the Pirates held them to a 7-7 deadlock to put the first, and what proved to be the last, black mark on the Clover Park record.

After the Highline scare the Warriors reared up and struck down Sumner 34-6 to gain the first Puget Sound Conference championship ever held by a C. P. football team.

The following week fans packed Thompson Field to bid adieu to the great Warrior team that had its sights set on an undefeated seasons. A strong White River team provided them with their final opposition. Playing almost faultless ball the Tribe proved they deserved the title of champions, as they cut down the Hornets 39-7 to bring their season's point total to 243 to only 66 for their opponents.

Danny Grogan, a stalwart Warrior end, was named to the all-conference first eleven, and was chosen to play in the Tri-City vs. State game next August. Tackle Mike Kulesza, guard Blaine Smith, center John Stevens, and backs Tom Peterson, Les Johnson and Walt Rostedt were on the second all-star eleven. End Jack Ellingson received honorable mention.

Kent Plowed Under 33-0 By High-Powered Tribe

The Clover Park Warriors continued their winning ways Friday, October 10 by trouncing the Kent-Meridian Royals 33-0 at Kent. In doing so the Warrior ball club powered its way to the top spot in the Puget Sound Conference, a berth it has never held before.

After getting off to a slow start Clover Park unveiled a powerful running attack that overpowered the Kent defense. The tribe threw only two passes and ran only basic T-formation plays as they rambled to 14 first downs to six for Kent.

A 72-yard pass interception runback by end Doug Shmidt late in the first quarter started the redmen rolling. Another long run by [illegible] Price on a kickoff return accounted for another C.P. score. Taking the opening kick of the second half Price faked a reverse and ran 45 yards down the sideline to pay dirt.

The other three Clover Park T. D.s came after sustained drives. Ken Peters plowed through a big Kent line for two and can two extra points, while Dale Hemestead went over from the one-foot line for the final score. Walt Rostedt [illegible]

The passing of Sophomore quarterback Dave Hendry and a ground game paved the way [illegible] 32 to 13 Clover Park victory [illegible] Renton on Friday, October 17[illegible] the Renton stadium.

Hendry, starting his first varsity game in place of the injured [illegible] Price, completed 8 out of 12 passes and showed great field generalship in leading the Warriors to their fourth straight conference win.

The Warriors moved 59 yards to the Renton 1-yard line, where Walt Rostedt took a handoff and bucked into the end-zone for the score. Jerry Johnson's attempted kick for the extra point was blocked. Late in the second quarter, the Warriors, after an Indian punt and quick kick to the 2. Then, Capt. Les Johnson raced over for the touchdown, then ran the extra and the score was 13 to 0 at the half.

After picking up a Warrior fumble, the Indians drove to their first downs. The attempted kick for extra was wide.

A determined Renton team kicked off, but it was unable to stop the spirited Warriors as Walt Rostedt added another score when he went off guard on a 27-yard touchdown dash. Peters added the extra point.

Renton struck right back as Irwin [illegible] the Clover Park kickoff and [illegible] 73 yards for Renton's second score. Again the attempted extra was wide.

WARRIORS WIN GRID-GO; BEAT LINCOLN, BELLARMINE

The Clover Park Warriors copped their first T. A. C. Grid-Go-Round title, in the ten years the contest has ben played, at the Lincoln Bowl in September 12. In 1948 the Warriors battled to a scoreless tie with the Stadium Tigers for co-honors. But this year the green wave was determined to be denied and went on to take top laurels.

A crowd of nearly 10,000 jammed the Lakewood tall chub, which was for so early in the season a big game. Lincoln Abes ony needed a win to go on beat Bellarmine 7-0 in the championship finals.

Clover Park took Bellarmine's opening kickoff and marched 70 yards for their only score of the game. Quarterback Tom Peterson and Captain Les Johnson carrying the mail. Peterson ripped off 27 yards on the first play from scrimmage and went to Bell's 26. Five running plays later

When the Puget Sound coaches met Monday, December 5, to pick an all-conference team, Danny Grogan was Clover Park gridder to be honored to the all-star first team.

Grogan was an end on this year's championship team and also saw some action at halfback. Grogan was a constant threat as a pass receiver and was a thorn in the side of opponents' offensive maneuvers as a linebacker.

Clover Park placed six players on the second team and two Warrior stalwarts gained honorable mention.

The Clover Park athletic department displayed some regret that more players from our champions did not make the first team, but it was pointed out that the football squad was composed of individual stars and not a group of boys that play together to win.

Bellevue Scalped By Warriors 38-7

Tribe Shows Strong In Non-Conference Contest

Clover Park's Warriors gave further notice that they will be a team to be reckoned with this season as they dumped the Bellevue Wolves 38-7 at Bellevue last night. Coach Gerry Austin swept clean and let his reserve strength see service over a game but comparatively weak ballclub.

The Green wave started things with the first stanza on an aerial from Price to Dan Grogan for the first yards and the game's first score. Grogan kicked the extra point.

Again in the first quarter Homesteads scampered for 10 yards and the Warriors' second talley. The kick for point was wide.

In the second quarter, Kenny Peters, small left half replacement for the injured Warrior, Captain Les Johnson, pushed over from one yard out for the first of three T.D.s to give the Lakewooders a 13-0 halftime lead.

In the second half of the game, Austin used twice, from three yards out, after long drives. Dale Homestead carried the mail for the sixth and last touchdown in the fourth quarter, going around from 6 yards out. Dale Homestead took a pass from Dave Hendry to score the extra talley.

Bellevue began to roll late in the fourth period and after a march of 60 yards, left-half Lauren Studebaker threw a pass to end John Nigro for the Wolverine's lone score. The try for point was good.

Dave Whitney and Studebaker rated well for Bellevue, accounting for a large amount of the team's yardage. Peters and end Doug Smidt starred in outstanding performances for the Warriors.

Richard [illegible] of Puyallup was the only unanimous choice. Hammermaster gained the center position for the second straight year. Loren Irwin of Renton was also on last year's first eleven as a halfback. Puyallup's Cliff Webster, a guard who made the first eleven last season, was named to the second squad this season.

Clover Park placed six players on the second team and two Warrior stalwarts gained honorable mention.

The Clover Park athletic department displayed some regret that more players from our champions did not make the first team, but it was pointed out that the football squad was composed of individual stars and not a group of boys that play together to win.

The all-conference choices announced by the coaches:

FIRST TEAM

Ends—Dan Grogan, Clover Park; and Don Helmhold, Sumner.

RESERVE FOOTBALL

The Clover Park Reserve Football Team finished its highly successful 1952 season with a record of four wins, one loss and one tie. The ability of the defense to set up or score touchdowns themselves was one outstanding feature of this year's team. Their fine play contributed much to the success of the 1952 schedule.

The reserve squad opened its schedule with a victory over the Olympia reserves 21 to 6. Clover Park scored in the first quarter when Jim Cammel bucked over from the 8-yard line. A hand-off from quarterback Dave Hendry to Cammel added the extra point. Olympia scored its only touchdown in the second quarter from the three-yard line.

Then taking the kickoff the Warriors drove to the 12-yard line where Hendry passed to George Dixon in the end zone. Cammel again ran the extra point. Charley Waid scored the final TD by taking a screen pass from Hendry and rambling 60 yards to score. A Hendry to Dixon pass added the last point.

Playing great defensive ball, the Warrior reserves bested the Puyallup reserves 13 to 0. Clover Park tallied its first touchdown in the second quarter after driving 65 yards to the Puyallup 4-yard line where Russ Wold plunged across for the score. A pass added the extra point. Buddy Robinson took the opening kickoff of the second half and scampered 72 yards through the Puyallup team for the final TD.

The Warrior Reserves trounced Sumner 49 to 0 in a fine game played at Sumner. Clover Park led all the way as Pat Jarvis, Larry Presley, Mike Jarvis, Russ Wold and Jim Cammel all scored for C. P.

Again playing a fine defensive game the reserves stopped Puyallup by a score of 26 to 0. Passes from Pat Jarvis to George Boldt and Kenny Heimbecker, respectively, accounted for the first two Warrior scores. Russ Wold added another six points as he intercepted a Puyallup aerial and returned it 65 yards for the score. Jim Cammel skirted the end from twelve yards out for the final Clover Park touchdown.

By dropping a 13 to 0 decision to Lincoln, the Clover Park Reserves closed their season. Fighting hard all the way, things looked good for C.P. until quarterback Pat Jarvis broke his arm late in the second quarter. Lincoln scored in the second quarter and then again in the fourth, this time adding an extra point to make the final score 13 to 0 in their favor.

VARSITY BASKETBALL

The Clover Park Varsity basketball team came through in fine style this year as they bounced back after losing three non-league encounters to Lincoln, Olympia, and Stadium to break even in league play.

The Warriors started the season by taking second place in the T.A.C. Hoop-Go-Round at the C.P.S. Fieldhouse. They outfought a tall Bellarmine team to win the opener only to lose to a classy Lincoln team in the finals. The team then proceeded to the Puget Sound Jamboree at Highline where they trounced Kent in their quarter of play. This was a forecast of what was to come the following week as the Warriors again beat Kent in their first league game. The next game was a sad one for the Warriors as they were outclassed by the future state champions, the Renton Indians. Things seemed to get worse as the team lost the next week at Puyallup, but they then started clicking and fought the Highline Pirates. From here the Warriors settled down and played better than 50 percent basketball, beating Highline once more, Auburn twice, Kent again, and splitting their two games with Sumner while losing two to White River and once more to Puyallup and Renton. With these results, the Warriors ended their league play in undisputed fourth place with a 7-7 record. This is the highest a Clover Park basketball team has placed in many a year and Coach Saxton and his assistants deserve much praise.

The high scorer for the season on the team was junior forward George Dixon, who finished the season with 120 points. Captain Del Brown was second in the scoring department with 117 points. Brown was named on the all-conference second team while Dixon received honorable mention.

The seniors departing from the team this year via the graduation route are Del Brown, Sam Gange, George Ghilarducci, Danny Grogan, Hank Pitzler, and Duane Van Beek.

At the letter award assembly, Del Brown was honored with the honorary captain award and George Ghilarducci was given the inspirational award. George Dixon was announced as next year's captain.

RESERVES - BASKETBALL - SOPHOMORES

The reserve basketball team had a better than average record this season, winning ten games while losing only eight. They had an eight-won six-lost record in Puget Sound Conference competition.

Coach Austin did a fine job in coaching these players who showed a lot of bustle and team spirit to make a fine showing in all their games.

Joe Lucas was high scorer with 149 points. Joe also led the team in percentage from the free throw line with a 56.3 per cent of his shots being good. Bob Winn was second in total points scored with 123 talleys. Letter winners this year were Ken Peters, Joe Lucas, Dale Hruby, Bob Winn, Doug Smidt, Gary Wamberg, Fred Gasperetti, Paul Llewellyn, Blaine Smith and Lloyd Filkins.

The team as a whole scored 683 points during the season. They committed 301 fouls, attempted 471 free throws, making 225 for an average of 47.7 per cent from the charity line.

With the drive and hustle they displayed this year the reserve squad members should help Coach Saxton considerably as looks toward a Puget Sound Conference basketball championship next year.

The sophomore basketball team had another outstanding season, winning the Tacoma Sophomore League championship as last year's squad did. They were victorious eleven times and lost but once in league play. The single loss came against the Stadium Golds whom the Warriors had defeated twice during the season. In compiling this record they defeated Bellarmine three times, the Stadium Blues twice, the Lincoln Golds twice, and the Lincoln Blacks twice.

In non-league play they defeated White River 40 to 30, Auburn 43 to 37 and split with Franklin-Pierce, winning the first game 53 to 42 and losing the second game by a narrow margin of 30 to 29. The only other loss came against Puyallup in a non-league game. The score of that game was Puyallup 27, Clover Park 23.

They had a fourteen-won and three-lost record for their entire season's play. Six boys received letters. They were Dave Hendry, Dave Hiser, Gary Hagen, Mike Paulus, Gary Milgard and Jerry Reese. Dan Mackle received a manager's award.

Dave Hendry was leading scorer with 193 points in seventeen games, followed by Dave Hiser with 132 points for seventeen games.

VARSITY TRACK

Under the able leadership of Coach Art Hutton, the track team remained undefeated in ten track meets as the annual went to press. The Green and White cindermen included the Puget Sound League title to their record as they outlasted their Renton rivals to win the crown.

The Warriors defeated Puyallup in the opening meet by a lopsided score of 95 2/3 to 17 1/3. The second meet saw C. P. defeat Stadium in a close dual contest 59 to 54. In Clover Park's first triangle meet they swamped the two other schools with 73½ points to White River's 35½ and Kent-Meridian's 31. The Green wave took their fourth straight meet scoring 65 points to Renton's 59 and Sumner's 16. The Clover Park invitational meet was held the night of April 22. In spite of the downpour of rain, it proved to be a success as two records fell. Jerry Kerschner of Stadium set a new Thompson field shot put record by breaking Bill Riech's record of 47 feet by 7 inches. Tom Peterson bettered his mark in the 440 by breaking his own record by one tenth of a second, winning in the time of 52.4. The team scores were Clover Park 67, Stadium 33¾, Olympia 23¼ and Fife 6. Clover Park gave a hint as to what they might do in the West Central District meet by winning over 15 other schools in the Highline Relays. Clover Park set four new records in the relays. The 440-yard relay team of Rostedt, Smidt, Price and Peterson bested the record by six tenths of a second. The 880-yard relay team composed of the same four set a new record by running the distance in 1:33.7. In the distance medley, the team of Dan Dye in the 220, John Stevens in the 440, Chuck Waid in the 660 and Dan Grogan running the 880 beat the record by 10.4 seconds. The high jump relay team of Ballinger, Storaasli, and Milgard bested the Highline Relay record by three inches. Clover Park scored 34½ to second place Bremerton's 30, third place Stadium's 19 and Highline and Renton tied for fourth with 17 points each.

In the last home meet of the year on May 1, the Green and White defeated Highline 91 to 22. Tom Peterson again cut a tenth of a second off the 440-yard dash record by running it in 52.3. The last practice meet of the year saw the Warriors successfully defend their title in the R. A. Long Rotary Relays at Longview. Clover Park scored 63 points to second place Vancouver's 38, Centralia's 25½, Battle Ground's 19½ and Longview's 18.

The Warriors scored 69½ points to win the southern division qualifying meet, qualifying 17 ment for the conference meet.

The C. P. Redmen went on the warpath to run away with the conference meet, scoring 47½ points to second place Renton's 26½ points, White River's 21, Sumner's 13, and Highline's 11½. Kent-Meridian was next with 10½, Puyallup scored 7 with Auburn last with 4.

Dan Grogan set a new conference record in the mile with a time of 4:30.9. The 880 relay team missed the conference record by one tenth of a second by running it in 1:33.4. Clover Park qualiifed 10 men for the West Central District meet.

The 10 high point men on the team and those standing a good chance to get to the state meet are Rostedt in the 220, Peterson in the 440, Ballinger in high jump and broad jump, Johnson in shot put, Ellingson running the 120-yard high hurdles, Waid in the 880, Grogan in the mile, Storaasli in the high jump, and the 880-yard relay team consisting of Rostedt, Smidt, Price and Peterson.

Other lettermen are Willy Arseneau, Mike Kulesza, Gordon White, Mike Brock, George Boldt, Ron Bullard, Ron Dawson, Sam Gange, Fritz Gordon, Dale Hruby, Don Loper, Gary Milgard, John Stevens, Dan Dye, George Ghilarducci, Pete Morrone and Ron Alger.

VARSITY BASEBALL

The Clover Park Warriors, gunning for their fourth consecutive Puget Sound Conference championship, opened the season with seven practice games. They won three of these non-conference tilts while dropping four.

This year the Warriors have only two lettermen who play regularly: first baseman Bob Wallace and second baseman Don May. Bob Moscatelli at shortstop and Billy Martin at third base round out the infield. In the outfield Coach Saxton has George Dixon in left, Duane Van Beek in center and Don Hearon in right. The sophomore battery of Jim and Fran Cammel has shown well to date.

The team opened the regular season at Cheney Field with Jim Cammel pitching a fine four-hit, 8-0 shutout over the White River Hornets. Jim struck out eleven and walked only one. Only one runner got around to third base and no more than one Hornet reached first safely in any inning. Center fielder Duane Van Beek led the hitters with a triple and a pair of singles. Jim Cammel doubled, singled and walked off losing pitcher Rich Hubber. First baseman Bob Wallace's long double and catcher Fran Cammel's two runs batted in also helped the cause.

The Warriors then moved to Highline for their second league encounter. The Pirates picked up only five hits off Jim Cammel as he won this one 3-2. Cammel struck out seven and passed four in winning his second straight victory.

Clover Park played its second road game in as many weeks with Auburn's Trojans. After opening with a 6-0 lead in the first four innings and held on to win 7-4 Auburn didn't get their first hit until the fifth inning and picked up only four in the ball game. Cammel whiffed eleven Trojans to bring his strike-out average per game to nearly ten. Captain and second baseman Don May singled twice and right fielder Don Hearon tripled home two runs in the first inning.

The Warriors are currently leading the Puget Sound Conference with an unbeaten record and stand an excellent chance of coming through with a fourth straight championship.

RESERVE BASEBALL

The Warrior reserve baseball team swung into action this year with a new schedule. Playing an eight game, home and home series with Franklin Pierce, Lincoln, Stadium and Puyallup, the reserves gained a great deal of experience which is invaluable to a ball club.

To open the season the Clover Parkers dropped a close tilt to Franklin Pierce 6-5. Lincoln was the next team to defeat the Warrior batsmen, this time by a 4-1 score. Stadium also defeated the reserves 9-4.

The boys then began to show well as they came back to defeat Puyallup 3-0. In the return game with Franklin Pierce, C. P. led 8-0 when the contest was called because of rain.

Kirk Van Buskirk has been doing the pitching for the reserves with O. D. Williams and Dave Hendry the catching. Dennis Kampbell and Gary Hagen led the team at the plate.

The reserves played their home contests at Madigan Hospital.

BOYS' SWIMMING

The Clover Park boys' swimming team finished their second season with a seventh place tie in the state championships at the University of Washington in March. Point getters for the Warriors in the state meet were John Call in the 200-yard freestyle, and the 200-yard freestyle relay team consisting of Lorne McKendry, John Call, Joe Ghilarducci and Jim Abbott.

Besides the state meet the C. P. mermen swam against Bremerton, Stadium, Lincoln and Highline. They also swam in the Western Washington meet at Aberdeen and against Stadium and the University of Washington frosh. At the Western Washington meet the boys who showed well were: Jim Abbott in the 40-yard freestyle, third place; John Call, third place in the 200-yard freestyle; Steve Merrill, fifth place in diving; the 150-yard medley relay team of Bill Whitney, Bob Frankland and Charles Harkins scored a fourth place; and the 160-yard freestyle relay team consisting of Joe Ghilarducci, John Call and Co-captains John Wood and Charles Harkins, also finished fourth.

Outstanding performers for this year's team were: John Call in the 200-yard freestyle and the 200-yard relay; Jim Abbott in the 50-yard freestyle; Bill Whitney and Charles Harkins in the brackstroke; Bob Frankland in the breaststroke; Lorne McKendry and Joe Ghilarducci in the 100-yard freestyle and the relay; and Steve Merrill in the diving event.

The boys turned out at both Madigan and Fort Lewis pools and swimming provided a great deal of enjoyment and sport to the many others who did not swim in the meets.

GIRLS' SWIMMING

The Girls' swimming team under the supervision of Miss Betty Keeler had a good year. The girls didn't compete with other schools because of the lack of interest from opponents. Intramural events were held through the season which consisted of freestyle races and diving. The girls also worked up an extremely artful ballet. The final performance of the ballet was shown to a large audience at the Madigan Army Hospital Pool. The class intramural events were held at the same time. Winners of the races were: Seniors, Sondra Forsythe; juniors, Wynne Steel, and sophomores, Eleanor Johnston. Eleanor Johnston was the winner in the finals to gain the girls' school championship.

Perfection of many strokes and the ability in their use were drilled upon at the tri-weekly turnouts. The Australian crawl, the breast stroke, and the waltz crawl were but a few that the group worked on during the season. Limited membership was enforced because the pool was in use by both the boys' and girls' teams. Practice and training nights were Monday, Wednesday and Thursday at Madigan Hospital. During the month of April the group traveled to the University of Washington where they saw a show put on by the University girls' swimming team, the "Silver Fishes."

Officers for this year's group were: Sondra Forsythe, president; Berta Young, vice-president, and Janet Foxx, secretary-treasurer. A swimming party was given at Sondra Forsythe's home during May for the girls on the team.

GOLF

Under the direction of Andy Zelenak the golf team had a moderate season, winning about half their matches before the annual went to press.

The Tacoma Country and Golf Club, located on the shore of American Lake, again generously gave the team the use of their fine course.

The Warrior golfers were defeated by Stadium, Highline, Olympia, Renton and Lincoln. Puyallup and Auburn fell victims to a Clover Park massacre.

Leading with individual points to date is John Richards with 13½. Dave Bernsten is second with 9, and Dave Steen third with 6½.

Girls were eligible for golf for the first time this year and Roberta Congdon and Joan Hansen took advantage of the opportunity.

The members of the squad were Dave Steen, Dave Bernsten, John Richards, Ken Still, Milton Davidson, Ricky Kirk, Ed Konsmo, Charles Buchanan, Roberta Congdon and Joan Hansen.

Prospects for next year's team are Ricky Kirk, whose best score is 94, Dave Bernsten with 83 for his best, and John Richards with an 82.

Dave Steen and Ken Still battled for the first and second spots on the squad while John Richards and Dave Bernsten fought for third and fourth spots. Ricky Kirk, Milton Davidson and Charles Buchanan fought for the fifth position.

TENNIS

Although the 1953 Clover Park tennis team had competed in very little match play when the annual went to press, the squad looked very strong at times and gave indications of being a title contender.

The squad, again under the supervision of Miss Fossler, girls' physical education director, was hampered by lack of practice as two of their first three scheduled matches were cancelled because of poor weather.

The opening match of the season was with the Kent-Meriidan racket-swingers on the Warriors' home courts. Played in a continuel downpour, the match was stopped after only four of the five matches had been played. The score was two matches each when the rain halted the final event, boys' doubles. However, it was played at the later date and Kent-Meridian won in three hard-fought sets to take the match. Do Ann Lahey, girls' singles player, and the mixed doubles team of Bev Newell and John Waller, won their events.

In the second match of the year Clover Park traveled to Highline where they were beaten 5-0 by a surprisingly strong Highline squad.

The Warrior racket-swingers were rained out for the second time in their scheduled match with White River, defending Puget Sound League champion.

The future of tennis at Clover Park appears bright since every boy on the squad was an underclassman. These players should be the nucleus of a championship team next year.

Team members and their events included: Mary Carlstrom, Sally McGee and Carol Nelson, girls' doubles; Do Ann Lahey, girls' singles; Beverly Newell and John Waller, mixed doubles; Ross Bailey, Steve Merrill, Lorne McKendry and Kenny Heimbecker, boys' doubles; Bob Winn, singles.

G. A. A.

The Girls' Athletic Association is for senior high girls. This year a program consisting of four sports: volley-tennis, volleyball, basketball and softball was offered. Girls earning letters had to participate in all four sports and were present at every turnout, held once a week. Besides turnouts there were playdays to attend.

These playdays were held at schools of the Puget Sound league and in this way the girls learned more about each other's schools. Miss Fossler went to all the playdays with the girls.

The first playday was dancing at Sumner; next was volleyball held at Clover Park. Enumclaw (White River) had the next playdays which was basketball. Bowling came after basketball. It was held at Renton, the only school in the league that offers bowling. Swimming followed bowling and the girls went to White River (Buckley) again for this sport.

The sports playday was at Highline. This was different than the others, because they played three sports.

The last playday was at the University of Washington. This was limited to five seniors, preferably girls who had planned to major in physical education. The girls, Frances Slead, Ida Leedom, Do Ann Lahey, Berta Young and Margery Carlstrom, had a wonderful time and also had an opportunity to see the beautiful University of Washington campus.

Frances Slead, this year's president, led the G.A.A. through a very successful year. Miss Fossler was again G.A.A. advisor. Frances' cabinet was Dolores Wilbur, secretary-treasurer; Ida Leedom, Sondra Forsythe, Laura Ross, Margery Carlstrom and Berta Young.

The volleyball playday at Clover Park was organized by the cabinet. Also during the year the cabinet presented one of the Girls' Club meetings. The G.A.A. ended the year with approximately 60 girls earning letters and with these letters, the right to join Girls' Letter Club.

Senior, junior and sophomore teams competed in the four sports. G.A.A. turnouts started with volley-tennis. Ida Leedom managed it and Donna Cooper's senior team won, Dolores Sutherland and Sue Richey's juniors tied, and Liz Hanson's sophomores won. Next came volleyball. Teams were changed around and Sondra Forsythe took charge. This time Donna Familton's seniors, Jean Zurfluh's juniors and Karen Hardy's sophomores won. After volleyball, turnouts were discontinued until the boys' gym could be used.

In March Laura Ross started the girls playing again. This time it was basketball. The tournament ended with Diane Smidt's sophomores, Sylvia Clabough's junior and Linnea Carlson's seniors winning.

The last sport of the year, softball, Berta Young managed. It was a pleasure for all to be outdoors again. The tournaments were not completed as the annual went to press but after softball, G.A.A. was over for another year.

RIFLE TEAM

The Clover Park Rifle Club since 1939 has been made up of boys and girls interested in marksmanship. The club now consists of 78 members, of which 40 are active team participants, and their advisor, Coach Swall.

The club has four team divisions. They are: first team composed of the eight best shooters of a two-week period plus one alternate; second team made up on the same principle as first team only with the next eight best shooters plus their alternate; the girls' team consisting of the highest eight girls with alternate, and the beginning team of the eight most promising first year marksmen with their alternate.

The Warrior rifle leaders for the past year were: President, Gary Parsons; vice-president, Richard Harlock; secretary, Mary Ann Richardson; treasurer, Elwood Sillifant and range officer John Erickson, capably assisted by Bob Miller.

Clover Park's Rifle Club has been very fortunate to have such a capable instructor as Mr. Swall. Mr. Swall has won numerous medals in his own competitive groups and has been to the national meets more than once. Last year, 1952, Mr. Swall's first team won third in the United States. In 1949 Mr. Swall had a girls' team which took third in the sectional.

This year Clover Park's first team was undefeated in City League competition. Gary Parsons won high individual for all the four matches with a score of 728 out of 1000 with John Erickson taking second place with a score of 725. In the last match of City League competition there are medals given to the five high individuals of that team. Clover Park won the match and those winning medals for the evening were Gary Parsons, John Erickson, Elwood Sillifant, Richard Harlock and Kirk Van Buskirk. Clover Park's first team has two outdoor matches and one national match besides their City League matches. The outcome of these matches wasn't known at the time this annual went to press.

FRESHMAN CLASS

The "Frosh" of "56" took over and held their own from the beginning of the year. The record they have to leave behind is one a class can always be able to look back on with pride. Mr. Burkhardt, class advisor for the ninth grade, contributed greatly to making this year a success.

Number one on the opening agenda was class elections with Dana Lieurance, president; Butch Swift, vice-president; Beth Morrison, secretary-treasurer, and Bruce Buchaman, sergeant-at-arms; Junior High Representative-at-large was handled very capably by Corinne Kubis, who, along with Dana Lieurance, represented their class on the student council.

Members of the class of "56" have been active in nonettes, chorus, Boys' and Girls' Club and various sports. For football Dale Cline won the inspirational award and James Rubeado was chosen honorary captain. In basketball Roger Ockfen received the inspirational award and Don Collins, honorary captain.

Social activities began with the get-acquainted dance, "Howdy," followed by a very successful Hallowe'en mixer. Attractive Sandra Manley was elected to represent the frosh class at the annual Klahowya dance. A Junior High tolo, the "Bunny Hop," under the chairmanship of Peggy Williams, was enjoyed by all. A freshman dance and the end of the year picnic followed to end the freshmen's successful year.

EIGHTH GRADE

The eighth grade has been very active this year. They have participated in all the Junior High games and dances. The "Bunny Hop Tolo," which the Girls' Club of the Junior High sponsored, was successful with the help of the eighth graders. The eighth grade was represented in the all-school play by Richard Smith, Robert Rayburn and David Steel. In the "Howdy Dance" and "Get Acquainted Dance," a committee from the eighth grade helped to make these dances a huge success. A style show was held and many eighth graders took part. In the many activities of the school the eighth grade did their part in making these nights a pleasure to attend. Even though the eighth grade is the youngest to represent the school in these activities, they are capable and show interest in all the different school activities.

The class chose their class officers under the capable leadership and advice of Mrs. Nalle: Those elected were: Sally Rivenes, president; Mike Freigang, vice-president; Marilyn Smith, secretary-treasurer, and Mike Fotheringille, sergeant-at-arms, whose term have made this year fun, achieving their goal, of putting the eighth grade on the Clover Park map.

BOYS' CLUB

This year's Boys' Club Cabinet consisted of President Andy Holroyd, Vice-president Chuck Hunter, Secretary-treasurer Gaylon Homestead, and Program Chairman Dick Forsythe. The Boys' Club was again advised by Mr. Zelenak. The club is composed of all eighth and ninth grade boys.

After the club was under way the president, Andy Holroyd, turned ill and did not return to school. Immediately the Boys' Club took up a collection and sent Andy some gifts.

The Boys' Club also sponsored a Christmas toy drive with the Girls' Club. Our program consisted primarily of speakers whose general topic was "The Promotion of Better Citizenship Among Boys."

GIRLS' CLUB

The Junior High Girls' Club is one of the most important clubs of the eighth and ninth grades. Although this club is usually patterned after the Senior High Girls' Club, this year it has really gone out and succeeded in many other interesting campaigns.

Under the capable leadership of President Tellelyn Hoffmand her advisor, Mrs. Melendy, the cabinet, consisting of: Kay Bubis, vice-president: Susan Vineyard, secretary; Benda Buckner, treasurer, and Junior High G.A.A. President Hallie Funkhouser, planned the best Junior High activity of the year, the tolo, better known as "The Bunny Hop." Its chairman was Peggy Williams. Working under her were her capable assistants: Program chairman, Judy Kraus; decorating chairman, Ann Kirk, and tickets, Pat Wilcox. A few days before this dance the students greatly enjoyed the chance to wear jeans and carry the boys' books during what is known as "tolo week."

During the holiday season this energetic group sponsored a successful toy drive combined with a magazine drive. Another worthwhile project of this club was to make attractive menu covers and posters that were greatly appreciated by the patients of different hospitals.

One of the more interesting meetings of the year was a very informing talk on France, its culture, its people and some of its better known places.

This year's style show is under the student direction of Judy Kraus. Its theme will be "April in Paris."

LUCKY LEAVES

Putting out a paper is a difficult assignment, but the junior high does a wonderful job of it, as you can see by looking at a copy of their "Lucky Leaves."

This paper, edited by Shirley Homola for the first semester and Rolores Adams for the second, covers the news of the school along with some very clever features which Miss Keeler's journalism class writes.

For the first semester the staff was: Assistant to the editor, Rolores Adams; Dick Forsythe, sports; Joan Niebergall, eighth grade news; Louise Marsh, circulation; Sandra Chandler, society; Lu Ann McDougal, art; Miss Keeler, class advisor; and Carol Boggs, Judith Swenson, Bob Hoffeditz, Rita Gardner, Dorothy Hellyer and Raddene Harwood, reporters.

The second semester staff was Editor Rolores Adams, Assistant Editor Raedene Harwood; Dick Forsythe, sports; Shirley Homola, eighth grade; Lu Ann McDougal, art; Miss Keeler, class advisor; and Louise Marsh, Bob Hofeditz, Dorothy Hellyer, Joan Niebergall, Rita Gardner and Judy Swenson as reporters.

As their paper is mimeographed, they have a lot of typing to do. They have to type their paper twice, to get the proper margins. Lu Ann McDougal does all the art work and she does a superb job of it.

MUSICALE

The Junior High musical opportunities consist of the band, orchestra and chorus.

The chorus consists of approximately 72 students, the majority of which are eighth graders. Mr. Albert Brevick is the able director of this group. Mr. Brevick studied at the University of Washington and has had much experience at voice instruction.

Sally Rivenes is president of this group and is in charge during the absence of Mr. Brevik. In the years gone by there never has been a chorus in the Junior High and this year for the first time they boast of their own chorus. Of course the majority of the students were amateurs but after weeks of interested training the group presented a very good appearance. This class provids adequate training for the future years of music study.

The Junior High Band of about 40 students was organized by Mr. Taylor. The band members proved themselves very capable at playing a variety of tunes. The band played at many of the activities such as football games and basketball games. When the group appeared in their snappy uniforms they added color to every function at which they appeared.

The Junior High Orchestra under the expert direction of Miss Hibby is composed of mainly eighth and ninth graders. Most of the students have been in school musical activities for the past two years. This year's orchestra is composed of violins, violas, cellos and a piano. They made an excellent presentation at the Spring Concert in May. The successfulness of this concert was due to hours of faithful practice.

LITTLE TRIBE ACTIVITIES

FOOTBALL AWARD WINNERS
Dale Cline. Coach Herron. Ted Johnson.

LITTLE TRIBES FOOTBALL

The captain of the Junior High team was Ted Johnson. The team was not too successful but they played to the best of their ability and the majority of the players will make good material for the Senior High team. Dale Kline received the inspirational award for his fine cooperation and attitude through the year. The players vote on this award and choose the player that in their opinion has fulfilled the requirements for such a fine honor.

This year's team made quite a trip. Never before has a team taken such a long trip as the Indians did this year. On this trip they played Longview and lost the game seven to six. It was a game long to be remembered even though it was lost.

Some of the schools played were: Olympia, Sumner, Auburn, Longview, White River and Puyallup. It was the Puyallup game that the Indians lost the services of Joe Maurin who broke his leg.

Mr. Herron and Mr. Brown coached the boys in football. Football for these boys not only produced good body building exercises, but helped them build qualities of character which will be definite assets in their characters in future years.

ROW 1, left to right: Harold Stafford, Kimbal McDonnald, Norman Campeau, John Chase, Don Collins, Allen Urban, Bucky Schmaltz. ROW 2: Dick Perkins, Joe Maurer, Butch Swift, Dick Chase, Dick Forsythe, Tom Alsbury, Leigh Husby. ROW 3: Chuck Brown, Darby Myers, Buddy Hyles, Leland Jagen, Roy McKassen, Carl Snyder. ROW 4: Charles Burseaic, Welden Bennit, Roger Ockfen, Mike Mickhaelson, Dale Cline, Dick Roberts, Tom Leaben, Ted Johnson, Jim Rubado.

BASKETBALL

This year for the first time the Junior High had seperate eighth and ninth grade basketball teams.

The ninth grade won three games, two of them against Gault and the third against Puyallup. They last to Auburn twice, White River twice, Sumner twice and Puyallup once.

The eighth grade team played Gault, Auburn, Stewart and Mason.

The basic team for the ninth grade was Ockfen, Collins, Hofiditz, Forsythe and Peterson.

For the eighth grade team the boys were: Hunter, Parish, Myers, McCassen and Urban.

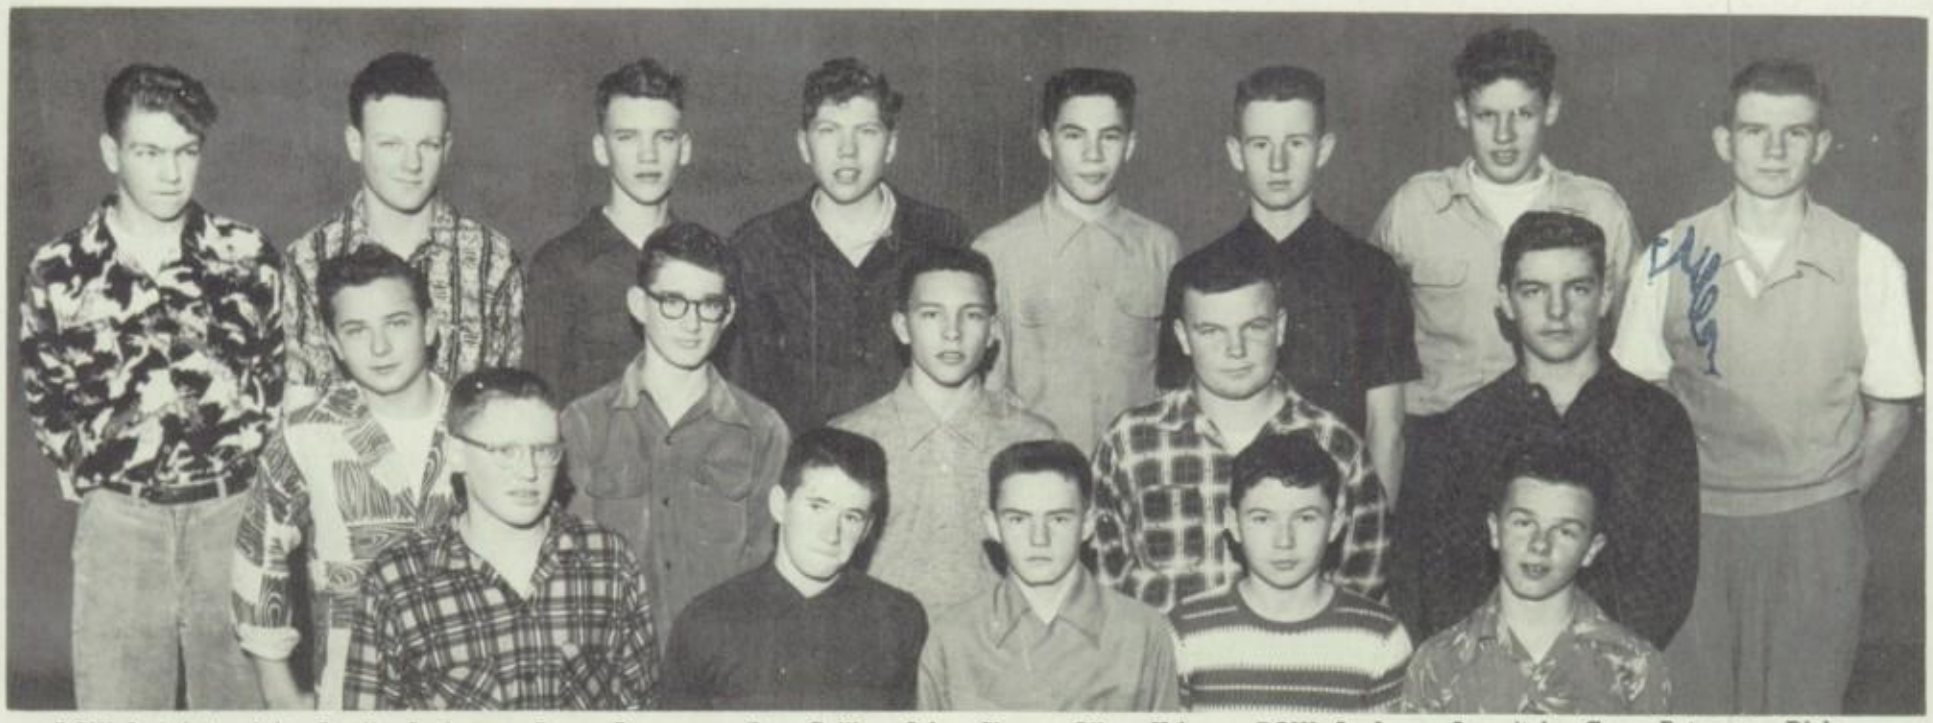
Roger Ockfen received the inspirational award and Don Collins the captaincy.

High point man for the ninth grade was Don Collins. For the eighth grade it was Chuck Hunter.

Don Herron was the coach for the ninth grade and Mr. Gee for the eighth grade.

Pete Edwards and John Chase were the efficient managers for both teams.

BASKETBALL AWARD WINNERS
Don Collins. Coach Herron. Roger Ockfen.



ROW 1, left to right: Bradly Anderson, Bruce Bucannen, Don Collins, John Chase, Allen Urban. ROW 2: Jerry Auswitch, Gary Peterson, Dick Forsythe, Pete Edwards, Roy McKassen. ROW 3: Mike Parrish, Chuck Hunter, Tom Teaben, Dick Roberts, Roger Okfen, Bob Hofeditz, Weldon Bonnet, Darby Myers.

TRACK

The junior high track team did well this year, losing only to two schools: once to Sumner and twice to Renton. The other teams in the league were unsuccessful in defeating the Indians. They were as follows: Auburn, White River, Puyallup, Kent-Meridian and Highline.

The Indians had nine lettermen this year out of the twenty boys turning out. The lettermen and their events are: Dale Kline 880, 440 relays, shuttle hurdles; Harry Smaltz 880, 440 relays, 100-yard dash; Ted Johnson 880, 440 relays, broad jump; Igo Jekkeals shuttle hurdles, broad jump, high jump; Dick Chase shot put; Alan Urban pole vault; Ron Smith 660 yard run; Dick Forsythe 100-yard dash, broad jump, shuttle hurdles.

There weer five teams in the South End Qualifying Meet, but the Indians walked away with the honors. They had 30½ points, Renton and Sumner followed with 21½ and 21 points, respectively.

The Indians had 11 out of 12 boys qualify for the conference meet at Renton.

George Johnson was the team's manager and he also placed second in the manager's mile. All in all the Clover Park Junior High cindermen had a very successful year.

ROW 1, left to right: Tom Knduzsen, Ronald Smith, Ken Mohoric, Dick Forsythe, Don Konaster, Allen Aenien, John Chase, Bucky Smaltz, Allen Urban, Ross Richards, Skip Bjorn, George Johnson. ROW 2: Coach Brown, George Packer, Mike Micklson, Dick Chase, Bob Hoffidtz, Bob Tesier, Eddie Root, Dale Kline, Igo Jaekkels, Don Hornick, Ted Johnson.

JUNIOR HIGH G. A. A.

G. A. A. CABINET
ROW 1: Sally Taylor, Pat Bakman, Maryland McConngie. ROW 2: Joan Arsenau, Susan Macky, Hally Funkhauser. ROW 3: Mrs. Mace, Autumn Gibbs, Beverly Roberts.

This year is the second year the Junior High G.A.A. has had a cabinet and representatives. The cabinet consists of a president, vice-president, secretary and a treasurer. There were four representatives, including both eighth and ninth graders.

During the school year the Junior High G.A.A. participated in two playdays at Puyallup and Buckley. There the girls learned new sports and met other students also belonging to G.A.A.

This year, as in the previous year, the ninth graders met on Wednesday and the eighth on Thursday.

Both grades learned many sports and the rules needed to play correctly. As the Junior High G.A.A. supervisor, Mrs. Mace taught the girls the value and fun of good sportsmanship and of a team working together.

ROW 1, left to right: Muriel Benny, Autumn Gibbs, Rolores Adams, Sandy Manley, Beverly Roberts, Rita Gardner, Gail Barker, Judy Kraus, Tellelyn Hoffman, JoAnne Haye. ROW 2: Wyn Gourley, Doris Marsh, Donna Gius, Sharon McGuire, Barbara Pasell, Lauradel Beecroft, Joan Niebergall, Alice Umpstead, Janice Johnson, Liz Scholtz, Karen Monsen, Esther Cedergren. ROW 3: Hallie Funkhouser, Alex Mahomet, Judy Drath, Corinne Kubus, Bertha Geren, Mercie Martin, Pat Wilcox, JoAnne Arseneu, Kay Turner, Chic Johnson, Beth Morrison, Vera Ann Danielle. ROW 4: Mrs. Mace, advisor; Leonie Marcell, Carole Ann Meade, Carol Long, Ada Lee Wilson, Maureen Wheelihan, Paula Elgin, Ann Kirk, Dana Lieurance, Patsy Greenrod, Gloria Weston, Verene Boyer.

G. A. A.

ROW 1: Kay Kubis, Marie Markham, Violet Smith, Charlotte Coutoure, Nancy Goleneck, Marilyn McConaghy, Janice McLean, Janet Harkness, Susan Zackerle, Nancy Lincoln. ROW 2: Elaine Shoemaker, Jacqueline White, Evelyn Scholta, Ruth Malinowski, Sally Taylor, Claire George, Nelda Baker, Judy Jessup, Marilyn Smithe, Kristie Johnson. ROW 3: Janyce Pakison, Pat Johnston, Karen Hansen, Sharon Gormanson, Sally Rivenes, Eunice McLaughlin, Grace Haynes, Julie Carlson, Janice Hall. ROW 4: Mary Haye, Virginia Gunston, Irene Schoell, Anita Parrott, Barbara Byington, Sally Ketner, Pat Barkman, Susan Vinyard, Janice Ward.
